Quality Replacement Parts for Diesel Engines and Applications

## COMPANY PROFILE

With over 6 years of customer-focused performance, Holdwell Group has evolved as a market leader in Diesel Engine Parts solutions in China.

Holdwell's experienced global team focuses on the development of custom fabricated solutions and efficient supply chains across a wide array of end markets. Holdwell's competitive offerings will support your specific product needs in the products of

**Diesel Engine Parts,  
Generator Set Applications,  
Construction Equipment Applications,  
Agriculture Equipment Applications,  
Aerial Work Platform Parts.**

Holdwell is a unique supplier, valuing our people as our most important resource. With our best-in-class technical sales associates, sales support service teams and field application, quality, and manufacturing engineers, Holdwell offers total global solutions to support our customers with the best quality aftermarket parts solution.
