

The SANY logo is positioned in the top left corner. It features the word "SANY" in a bold, white, sans-serif font. The letter "S" is stylized with a horizontal line through its middle. The background of the entire page is a dark, moody photograph of a construction site. A large excavator is the central focus, its bucket raised and dumping a load of dark material, possibly soil or gravel, which is falling in a thick stream. The excavator's arm and cab are visible on the left side. In the background, a city skyline with several tall buildings is visible under a grey, overcast sky. Two prominent, parallel diagonal stripes in a bright yellow color run from the top right towards the bottom left, crossing over the excavator and the city skyline.
