## 公司简介 PROFILE

安徽尚志活塞环有限公司专业开发和生产活塞环，产品有 6000 多个规格，适用于各种进口 / 国产汽油、柴油车，农用车，空压机，船用及工程机械内燃机。

An Hui Shang Zhong piston ring Co.,Ltd is a professional factory in producing piston rings. There are more than 6000 various of categories which can be used in the majority of gasoline and diesel engines in the world.

本公司生产的产品出口世界各地，深受用户青睐。此外，公司通过了 TS16949 和 ISO9002 体系认证，巴西 INMETRO 认证。

Our products have been exported all over the world and very popular in the whole piston ring market. Besides, we have been awarded TS 16949 and ISO 9002 certificates, and the Brazil INMETRO certification.

近几年来，公司引进内外圆防形车床、高精度双端面磨床、自动倒角机、修口机、数控机床、德国 (PSA-10K) 梯面磨、日本 (R-4MG-L) 成型磨、瑞士 PT 公司的 (S-M1100C) 等离子喷钼以及各种组合衬环的自动冲压、成型和钢环自动绕圆等生产流水设备。表面处理有氧化、氮化、磷化、镀铬、镀锡、镀钛、喷钼等。同时还拥有一条毛坯铸造生产线、理化室和质量检测中心。

In recent years, we have introduced professional piston ring facilities, which include inside & outside Profile Modeling Lathe, High Precision Double-side Grinder, Automatic Beveling Machine, Opening Trimming Machine, Japanese-made Digital Moulding Grinder, Swiss-made (M-1100C) Plasma Molybdenum Machine, etc. Besides, we also have set up a production line of casting which can produce rough rings, 5 production lines for producing oil rings which are sets of 3 pieces, and 2 production lines for steel rings. In addition, we also have a series of surface treatment, such as heating treatment, nitrogen treatment, phosphate, chrome plating, tin plating and molybdenum-coated. Moreover, we have our own professional chemical lab and quality testing center.
