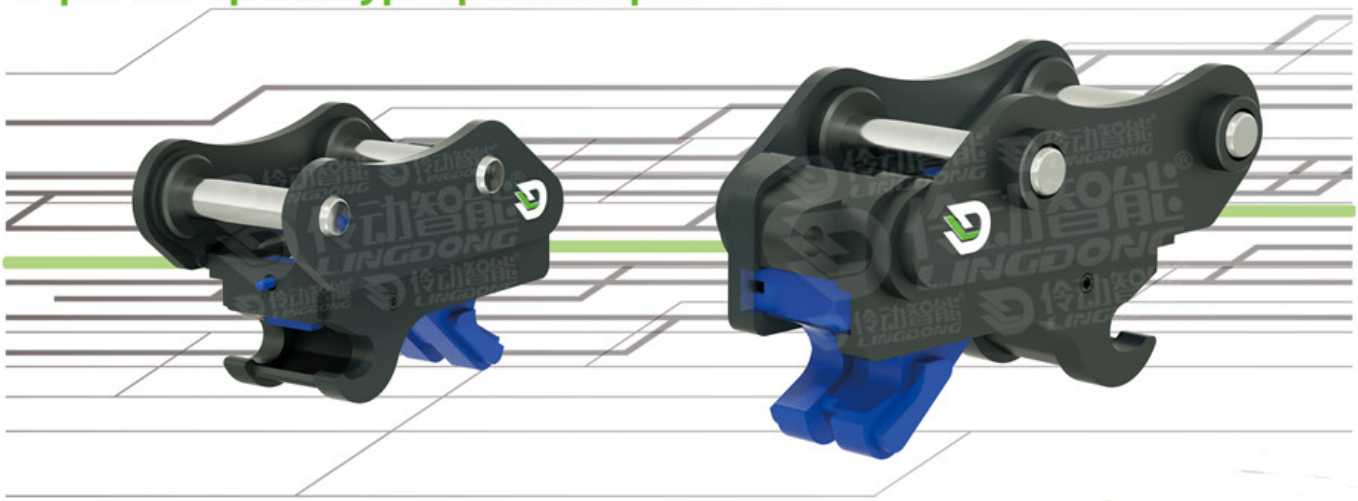
三锁平推式快换
Triple-lock push-type quick coupler



产品特点: Features & Benefits

- 采用耐磨450高强度钢，耐磨寿命长。
  Made from high-strength, wear-resistant 450 steel for extended service life.
- 紧凑型超薄设计，挖掘力损失更小，挖掘机更省油。
  Compact, ultra-slim design minimizes digging force loss and helps reduce excavator fuel consumption.
- 三重锁止结构，安全可靠，可定制为液压手腕模块及倾斜快换，旋转快换
  Triple-lock safety design for reliable attachment retention. Customizable as a tiltrotator module, tilt quick coupler, or rotating quick coupler.
