13 5 wholly owned subsidiaries
4 domestic joint ventures
3 foreign joint ventures

2000 More than 2,000 employees

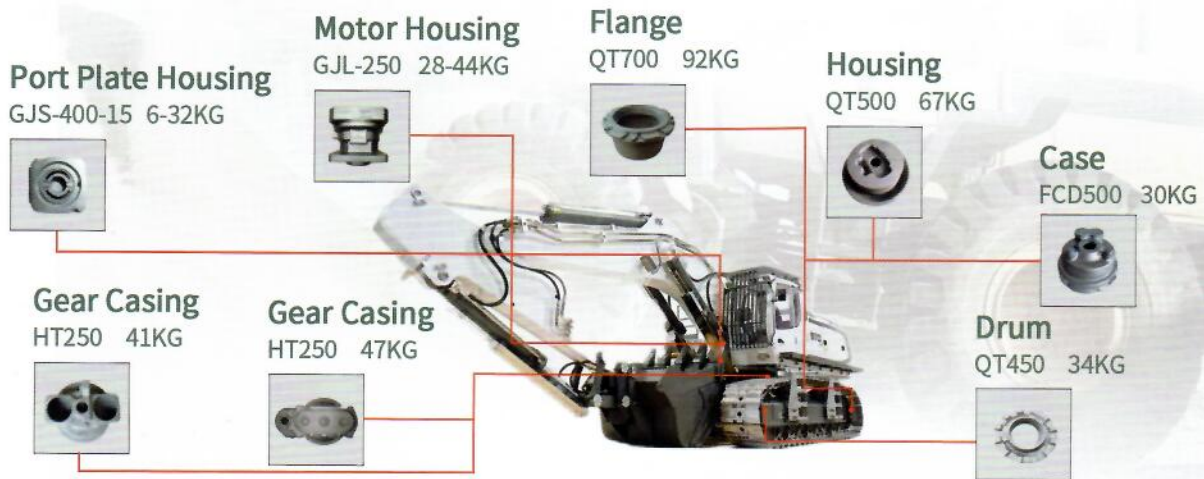

Global partnerships

• Key Products & Customers - For Commercial Vehicles

• Key Products & Customers - For Construction Machine

• Key Products - For Marine Parts

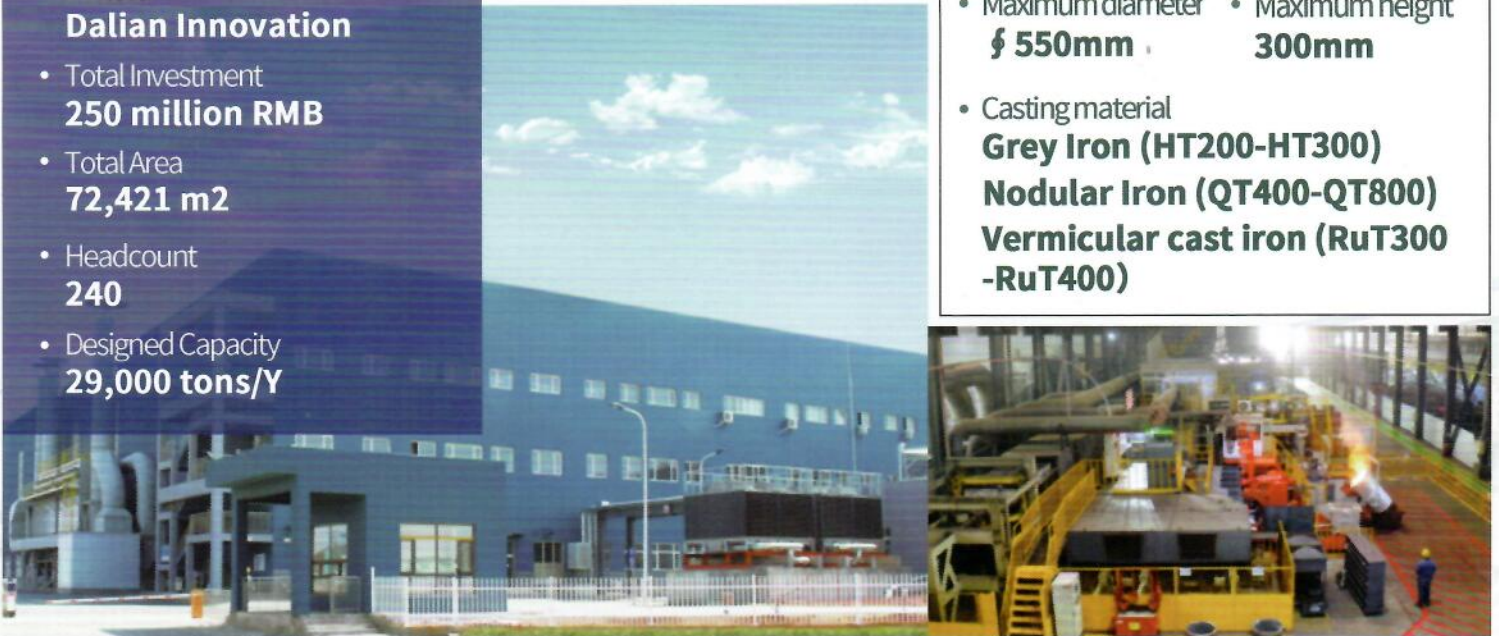

Iron Casting Plant – Dalian Giantech (Foundry of DI)

- Founded in **2007**
- Investor **Dalian Innovation**
- Total Investment **250 million RMB**
- Total Area **72,421 m²**
- Headcount **240**
- Designed Capacity **29,000 tons/Y**

- Weight **3 - 100 KG**
- Maximum length **750mm**
- Maximum diameter **φ 550mm**
- Maximum height **300mm**
- Casting material
Grey Iron (HT200-HT300)
Nodular Iron (QT400-QT800)
Vermicular cast iron (RuT300-RuT400)

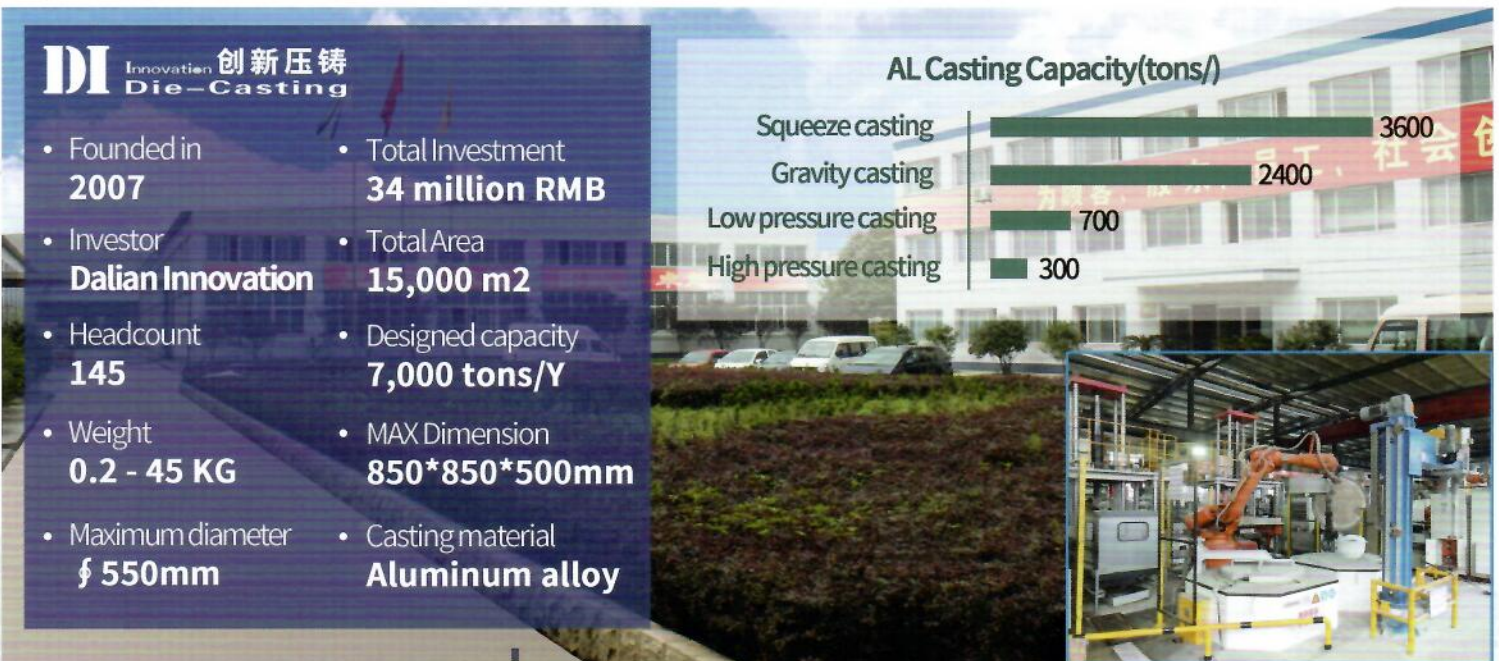

Die Casting Plant – DI Die Casting (Foundry of DI)

- Founded in **2007**
- Investor **Dalian Innovation**
- Headcount **145**
- Weight **0.2 - 45 KG**
- Maximum diameter **φ 550mm**
- Total Investment **34 million RMB**
- Total Area **15,000 m²**
- Designed capacity **7,000 tons/Y**
- MAX Dimension **850*850*500mm**
- Casting material **Aluminum alloy**

AL Casting Capacity(tons/)

Machining Plant

Belongs to Dalian Innovation

- Total Area
83,000 m²
located in DI Industrial Park
- Headcount
399
- Machine
399
- Machining Dimension
 - **Commercial vehicle parts:**
70*32*22mm ~ 700*630*300mm
 - **Hydraulic parts:**
72*72*14mm ~ 265*230*80mm
 - **Marine Parts:**
56*45*18mm ~ 1491*470*230mm
