PRODUCT CATALOGUE

IMPORTERS ★ EXPORTERS ★ DISTRIBUTORS

A house of M-Brand original parts for Backhoe Loaders & Excavators

Late Sh. Balwant Rai Jain
(1927-2018)
Founder, Jainco Group

Excellence Through Experience

Munesh Kumar Jain
Naman Jain
Founding Members of M.K. Group
(From the House of Jainco)

We are taking the liberty to introduce ourselves as one of the leading Importers, Exporters, Stockist and Suppliers of Authentic Alternative parts for Earthmoving & Construction Equipments such as Backhoe Loader & Excavators, Front End Loaders, Hydraulic Mobile Cranes with a team of highly skilled professionals who have gained perfection in their work with an experience of more than 45 years.

The founders of the group are one of the oldest in this field and our roots are so deep that we are catering to a wide spectrum of customers for the last more than 4 decades and since then living up to their expectations.

We have been catering to various Corporate houses, Industries, Govt. Departments, Whole sellers and Retailers throughout the country since the last four decades and upgrading ourselves technically and commercially to match and meet the competitive market requirements. We are also doing export with the international customers and we know that in order to serve them we have to be at our feet to keep the best quality keeping in view their continuous demand.

Inevitably the pandemic has posed difficulties in sustaining businesses. It is therefore crucial that we choose 'Quality over Style'. However, certain business houses have chosen to lure innocent customers to choose 'Style' over 'Quality', only by way of fancy and attractive packaging. Such customers end up paying 50-100% more for the same products and eventually realize that their machine maintenance cost have risen astronomically and their profits have drained out. So friends, always remember "All that glitters is not gold". Be smart, Act smart!

Our parts are encrypted with our own brand name i.e. "M-BRAND" and "ZEN1'Q' Quality Parts "which only we can boast off.

We have valuable range of Authentic Alternative spares for equipments like:

BACKHOE LOADERS JCB*(3D,3DX,3CX), CASE* (770, 851), TATA* (JD-315), TEREX VECTRA* CASE* MAHINDRA*, CAT-424*, DIGMAX*, ETC.

HYDRAULIC CRANES ESCORTS*(3T-16T), ACE*(9T-15T)

LOADERS/EXCAVATORS JCB*(430Z, 432-ZX, 430-ZX), JCB*(JS-81/140/205/220)

*Company name for reference only
