

To Give the Customer a Better Choice

ADR Group is a group of companies focusing its activities in the production and distribution of automotive components. It was established in 1973 with its first company, CV Auto Diesel Radiators Co., of which the name ADR originated from.

Currently ADR Group has four business divisions:

- Automotive (Automotive Components Industry)
- Agro (MDF Plant Palm Oil Plantation and Industrial Forestry Plantation)
- Property (Directly owned or jointly developed and managed property projects in Jakarta, Bali and Batam, e.g. Office Tower, Condominium, Shopping Mall & Industrial Estate)
- Investment

Automotive Division Has 6 Manufacturing Companies and 3 Distribution Companies.
