BEILITE MACHINERY CO., LTD.

BEILITE

HYDRAULIC
BREAKER

QUALITY CHANGES THE FUTURE

COMPANY INTRODUCTION

Founded in 2002, BEILITE Machinery Co., Ltd. has been guided by its development philosophy of "Quality Changes the Future", and focusing on the R&D, production and service of high-end hydraulic breakers.

As a Chinese National High-Tech Enterprise, BEILITE works to implement Intelligent Manufacturing Strategy, and drives its rapid development with continuous innovation capabilities. Breaking through key hydraulic breaker manufacturing technologies, BEILITE successfully developed the first Chinese heavy-duty hydraulic breaker and first underwater hydraulic breaker. BEILITE holds hundreds of international leading technology patents, being certified through the three systems of quality, environment, occupational health, as well as the EU CE safety certification. In 2015, BEILITE participated in the drafting and formulation of the "National Standard for Hydraulic Breakers" within China, GB/T32799-2016.

BEILITE has BLT and BLTB independent brands, presenting Sound Supressed Range,Top Mounted Range, Side Mounted Range, Backhoe Loader Breaker Range, Skid Steer Loader Breaker Range, and models ranging from BLT-40 to BLT-280, which can meet the demand of excavators and loaders of different tonnages. BEILITE is well-known for its advantages, strong impact power, steady working performance, long service life, low maintenance cost and high residual value, The products are suitable for various

applications like mining, demolition, tunnels, underwater, high-altitude, high temperature, extreme cold weather working site, ect.

As the first Chinese hydraulic breakers brand with independent intellectual property rights entering in Europe market, BLT,BLTB hydraulic breakers have been exported to Europe, America, Australia, Asia, Africa, covering more than a hundred countries and regions such as the United States, Germany, the United Kingdom, Russia, Japan, and India. Adhering to the service philosophy of "quality first, service first", consistently being guided by our customers' needs, BEILITE has built a complete and mature service network throughout China, and has been continuously upgrading overseas service outlets, increasing service staff, BEILITE is capable of providing customers with one-stop service solution, including pre-sales, in sales, and after-sales service around the clock.

BEILITE firmly believes in the spirit of hardwork and Integrity shapes character and always adheres to the mission of creating maximum value for customers. We will continue to deepen our expertise in the hydraulic breaker industry, strengthen independent innovation capabilities, better lead industry development, accelerate global layout. With high quality products, excellent service, and global reputation for made-in-China hydraulic breaker, BEILITE is striving to become a worldwide trustworthy and international competitive enterprise.
