About Us

Established in 1987, MM Spares is a leading distributor of top quality tractor parts, JCB parts, hydra crane parts and more. MM is a well-known brand and a symbol of trust in the Automobile Spare Part Industry all over India. We are pushing boundaries for innovation in quality and customer satisfaction.

We have an unparalleled range of spare parts with an assurance for quality and proven performance. With constant innovation and development, we are committed to provide latest products and solutions. We also take feedback on regular intervals for continuous improvement. All our products come from best manufacturers and go through a series of testing by professional experts and modern testing instruments.

At the heart of the company, we believe to engender and ensure Quality, Reliability and Trust.

MM Journey

1987 — **Establishment**

Established in 1987 as a startup for trade of different tractor parts.

1995 — **Brand and Groups Association**

With focus on our Brand "MM", we associated with many groups including TVS and Rane. Specialized in Farmtrac and Escorts.

2009 -1997 — **Escorts Distributorship**

After gradual growth, we became India's one of the Largest Distributors for Escorts. Associated with many top quality brands at the time including Rane, Banco, SF, GNA, VDO, and others.

2012 — **Hydra Crane Parts**

Added to the verticals, Hydra Crane Parts for Ace and Escorts. With support of many partners across India, we had a rapid growth and added full range.

2014 — **JCB Spare Parts**

Started Branded Distribution of JCB Spare Parts. Organized our first International Trip for our top customers to Dubai.

2017 — **Completed 30 Years**

Reached more than 400 customers, dealing in 6000 spare parts, expanded warehouses, and providing customers solutions and satisfaction.

2025 — **and Growing Further...**

Exporting Worldwide, E-commerce, Digitalization, Verticals Addition, and more.
