

ThermoJinn

- 福州热灵进出口有限公司
- 福州腾捷未来信息科技有限公司

ThermoJinn 产品介绍

ThermoJinn

制冷设备

- 工业制冰机
- 半封压缩机
- 一体机
- 冷凝机组

ThermoJinn

制冷换热器

- 蒸发冷
- 冷风机
- 管壳冷凝器/蒸发器

ThermoJinn

制冷系统

- 冷库
- 冷水机
- 混凝土降温设备

制冷阀门

- 主阀
- 截止阀
- 控制阀
- 电磁阀

- Air cooled condenser
- Evaporators
- Skaid Compressor

- Compressor spare parts
- Electric control parts
- Sight Glasses
- Sensors

ThermoJinn

制冷产品

➤ 冰机

➤ 半封压缩机

➤ 一体机

➤ 冷凝机组

ThermoJinn

换热器

蒸发冷

风机

管壳换热器

ThermoJinn

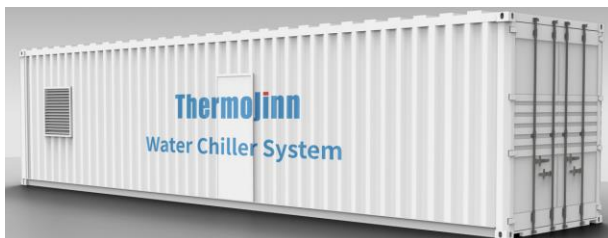

系统

— 冷库

— 冷水机

— 混凝土降温

代理阀门

— 主阀

— 截止阀

— 控制 阀

— 电磁阀

Thermojinn's main production base, located in Taizhou, Jiangsu. Covers an area of more than 30000 square meters, with complete supporting facilities and complete functions. As long as the following products are produced:

1. Compressors, CDU, Rack units, etc
2. Chiller units, Brine Chillers
3. Heat exchangers
4. Cold room equipments

Thermojinn 2nd production base is in Shengzhou, Zhejiang. The production base covers an area of 10000 square meters. The new modern production workshop mainly produces the following products:

1. Monoblock units
2. Air cooler units, (NH₃, Freon, CO₂)
3. Air cooled condensers

Thermojinn 3rd production base is in Chongqing. The production base covers an area of about 5000 square meters. The complete supply chain and skilled technical workers around can produce various types of ice makers, mainly including the following products:

1. Flake ice machines
2. Tube ice machines
3. Indirect type block ice machines
4. Direct type block ice machines
5. Plate ice machines
6. Ice plants

The new evaporative cooling workshop produces high-quality and high-efficient evaporative condensers. The site is spacious, clean and convenient for transportation. Capable of producing various types of evaporative condensers.

- ✓ *Brand Introduction to China;*
- ✓ *China Sales Network Development;*
- ✓ *OEM factory cooperation;*
- ✓ *Parts sourcing;*
- ✓ *Factory setup;*
- ✓ *Project Engineering.*

- ✓ *Made-in-China export;*
- ✓ *Overseas Sales Network Development;*
- ✓ *Service localization;*
- ✓ *Workshop localization;*
- ✓ *Engineering and Turnkey Project.*
