企业简介 BRIEFINTRODUCTION

Ruian Changzheng Automobile Electric Apparatus Factory is located in the capital of automobile & motorcycle parts of China-Ruian, which is a professional manufacturer of Automobile gauges, cables, switches and battery terminals. The factory has advanced manufacturing equipment and test equipment for development and design, and hot-room 25T, 88T, 138T, and cold-room 125T, 160T for external processing. Our oversea markets include Southeast Asia, Middle East, Africa, Europe, South America and America.

In this new century, all of our staff insist on the ideal of " Quality First, Credit and Service is Our Belief ". Sincerely welcome friends from all over the world to contact us, and let us make much brighter future.
