ABOUT US

Ningbo Yinzhou Chuangxin Construction Machinery Co., Ltd. was founded in 2000 and is one of the leading manufacturers of compact construction machinery and related equipment in China.

"Chuangxin" means innovation in Chinese. We always adhere to the business philosophy of:

- » Surviving Through Quality
- » Progressing Through Innovation
- » Growing Through Integrity

Our factory has passed CE and ISO9001 quality management system certification and has been awarded as a contract-honoring and trustworthy enterprise for many years.

We specialize in the production of:

Mini Excavators

Excavator Trailers

Excavator Attachments

Construction Dumpers

OEM and ODM services are fully supported.

As a professional export-oriented company, quality is always our top priority. Our products are widely exported to Europe, North America, South America and many other international markets.

In multiple countries, we have already established independent distribution systems and exclusive agents.

Product Advantages

POWERFUL PERFORMANCE

Equipped with high-performance engines, delivering strong power and excellent efficiency.

PRECISE OPERATION

Advanced hydraulic system ensures smooth and precise control for various working conditions.

RELIABLE & DURABLE

Robust structure and high-quality components ensure long-lasting durability and low maintenance.

VERSATILE APPLICATION

Suitable for construction, landscaping, agriculture and more, meeting diverse working needs.
