ABOUT FREJA

1985

Founded in Denmark

FREJA is part of the Danish family-owned USTC Group (United Shipping Trading Company).

USTC Group has a wide range of businesses, covering oil and energy, maritime logistics, shipping, risk management, automotive, IT, sustainable energy and environmental protection, and has more than 4,300 employees in more than 40 countries.

FREJA Group was founded in Denmark in 1985. As a leader in the Nordic logistics industry, we are present in Sweden, Norway, Finland, Poland and China.

FREJA Group is committed to being the expert at your side, providing you with tailor-made quality transport, logistics and warehousing solutions.

Our Focus On Sustainability

Environment
Social
Governance

烽沛致力于成为拥有环保意识和对社会负责的企业。我们与合作伙伴和客户保持沟通，探索尽量减少碳足迹的方法。

At FREJA China, we aim to be recognized as environmentally conscious and socially responsible. We explore ways to minimize our carbon footprint through close collaborations and constant dialogues with our partners and customers.

我们创造安全和包容的工作环境，员工可以茁壮成长和发挥他们的潜力，在这里他们的努力付出受到尊重和认可。

We provide a safe and inclusive place to work where our employees can thrive and grow their potential, and where they feel respected and recognized for their contributions.

好的治理带来商机。我们有透明、可靠和清晰的流程，确保高度的责任心和诚信，为我们的合作伙伴和客户创造长期价值。

Governance means business. We have transparent, reliable, and clear processes to ensure high level of accountability and integrity so that we can create long-term value for our partners and customers.

Safe and Reliable

FREJA CHINA was established in Shanghai in 2016.

With excellent development strategy and market expansion ability, the company has successfully set up branches in Guangzhou and Qingdao, and gradually built a more extensive and solid business layout.

The company's business sectors are diverse and comprehensive, covering many fields such as maritime transportation, air transportation, railway transportation, road transportation and project logistics.

In the business sections of handling industrial project cargo, FREJA has shown unparalleled advantages.

From the careful preliminary plan of the project to the accurate implementation and efficient execution, each link highlights the profound professionalism and rich experience of the FREJA team.

Since its establishment, FREJA always stays true to the original aspiration, put customer needs first, adhered to the spirit of doing our level best, and is committed to tailoring safe and reliable transportation solutions for each customer, and providing high quality all-round and one-stop services.

FREJA teams will continue to strive forward with our hearts and minds, transcend ourselves, and write a glorious chapter in the forwarding business.
