无锡市东亭新强弹簧厂

WUXI DONGTING XINQIANG SPRING FACTORY

企业简介

Company profile

无锡市东亭新强弹簧厂创建于1987年，工厂占地面积38亩，厂房面积约17000多平方米。工厂紧靠沪宁高速公路无锡东出口处，地理位置优越，交通十分便利。固定资产2.5亿，弹簧年生产量13000吨。工厂拥有280多名员工，资深技术人员50名以及各种岗位均配备专业技术员工和优秀合作团队，长期致力于优质的服务和创造高品质产品。

本厂为专业生产弹簧的企业。主要生产军用发射架弹簧。铁路用弹簧，高铁、地铁及和谐号复兴号动车组用弹簧。汽车、重型卡车、军用卡车减震弹簧，轿车悬架弹簧，卡车制动器弹簧和车库摇控门(工业门)扭簧以及各种机械弹簧、模具弹簧、精密五金弹簧、管道支吊架、恒力吊架、装备机械、工程机械、焦炉设备等产品。工厂引进台湾专业弹簧制造生产流水线，采用先进数控冷卷技术工艺，生产钢丝线径从2.0-20.0mm各种类型弹簧。

2017年至今，联合北京科技大学、同济大学投入八千多万元新的热卷弹簧用全自动卷簧设备及配套用附属设备的整个工艺流水线可生产线径18.0-90.0mm的热卷弹簧，以标准化的生产工艺以及精密的检测设备，并严格按照ISO 9001认证的标准管理，并根据欧洲客户的要求达到欧洲DIN标准，保证产品质量。为了满足不同客户针对不同用途的要求，我们供应商都是我们长期合作伙伴，他们可提供稳定，优质的材料。与众多铁路行业企业 & 公司建立长期友好合作关系，同时我们产品已批量出口到欧洲、美国、澳大利亚、东南亚以及中东等国家地区。

本厂遵循：“精心制造、匠心经营、放心使用、称心满意!”的宗旨，竭诚为客户提供优质的产品。厂长携全体员工真诚希望国内外客户前来洽谈与合作，共创美好未来！

Wuxi Dongting Xinqiang Spring Factory was found in 1987 with a building area of 26000 M² and plant area of 17000 M². The factory locates in a geographic position with convenient transportation. It's near Wuxi's east exit of Shanghai-Nanjing Highway. With 25 million rmb fixed assets, more than 280 clients, including 50 senior technicians and an excellent specialized cooperation team who devotes to superior service and products of high quality, spring annual production arrives 13000 tons.

As a professional spring manufacturer, our main products cover railway springs for all kinds of train, subway, and CRH; suspension springs for auto, motor and electric bicycle brake system, various springs for the remote control door of the garage, other equipment, machine, mold and precise instrument. We imported professional production lines for spring production from Taiwan, which helped us to produce springs in wire size from 2.0 to 20.0mm by cold coiling, with the capacity of CNC technique. At the end of 2017, we invested about 30 million in CNC hot coiling line, to produce big springs in wire size from 18 to 90.0mm. Abundant and advanced inspection equipments were also brought in to ensure the high quality, under the quality controlling system of IOS9001. And we also try our best to meet the requirements of DIN standard, for some European customers. We have long-term cooperated suppliers for best and stable materials to meet different customers' different requirements. And we have built friendly cooperation with several enterprises in both domestic and abroad market. Up to now, we have exported to Europe, America, Australia, South-East Asia, Middle East and so on.
