

Ningbo Keta Hydraulics co.,LTD.

Company Presentation

WHO WE ARE

- Founded in 2003, over 20 years focus on screw-in cartridge valves;
- Land area: 10000 square meter;
- Employee: 165 person;
- ISO 9001:2015 certification attested by SGS;
- ERP System adopted to optimize the manufacturing process and quality control;
- Trademark  officially registered both home and abroad;

Quality Is Our Goal

- 
- 🏷️ SPC adopted for all critical production processes;
 - 🏷️ Advanced machining equipments
 - 🏷️ Advanced the product design and manufacturing Process
 - 🏷️ Continuous supplier audit
 - 🏷️ 100% pre-delivery test
 - 🏷️ At least 1 million cycles of service life test for standard products
 - 🏷️ Germany-made high precision washing machine to achieve high level of cleanliness

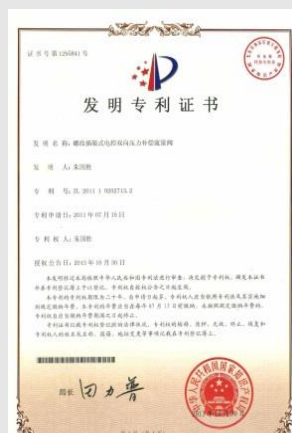

Our Company Value

Service Motto: Only by creating value for customers can we create value for ourselves.

Achievement and Qualification (Recent 3 years)

- ◆ National High-Tech Enterprise
- ◆ ISO 9001:2015 Certified Company
- ◆ High tech Enterprise Research and Development Center (Provincial level)
- ◆ A Level Tax Credit Rating
- ◆ AAA Level Enterprise Credit Rating (City level)
- ◆ Ningbo Green Factory (City level)
- ◆ Ningbo SRDI Small & Medium-sized Enterprises (City level)
- ◆ Ningbo Innovative Small and Medium-Sized Enterprises (City level)
- ◆ Ningbo Trustworthy Enterprise (City Level)
- ◆ Safety Production Standardization Enterprise (City Level)
- ◆ Top 10 Industrial Enterprise of Jiaochuan Street (Street Level)

Keta company owns 5 invention patents, and more than 20 utility model patents.

Automatic Lathe

CNC Grinding (External)

Centerless Grinding

CNC Grinding (Internal)

Parts Washing Machine

Nagamura-TomeTurning

Keta continuously invests on advanced equipments, to improve precision and efficiency;

Roundness Inspector

Projector

Salt Spray Test Chamber

Film Thickness Inspector

Metallographic Analyzer

Spectrograph

Although we believe high quality parts comes from production, instead of from inspection, a well-established inspection system and good equipments would ensure that product quality are under control .

Assembly Workshop

Laser Marking

Valve Test

Assembly, marking and test are done inside clean room, so that the cleanliness of the parts could meet the demand of most industrial and mobile application.

WHAT WE DO

Solenoid Valves

Directional Valves

► Proportional Valve, Poppet, 2-Way, Normally Closed

LSP08-20

LSP10-20

► PPRV-Proportional Pressure Control Valve

LPPCD04-NG

LPPCD05-NG

Proportional Valves

Coils & Electronic Controls

Pressure Control Valves

Flow Control Valves

Counterbalance

Logic Elements

Mobile Hydraulics

Manifolds & Hand Pumps

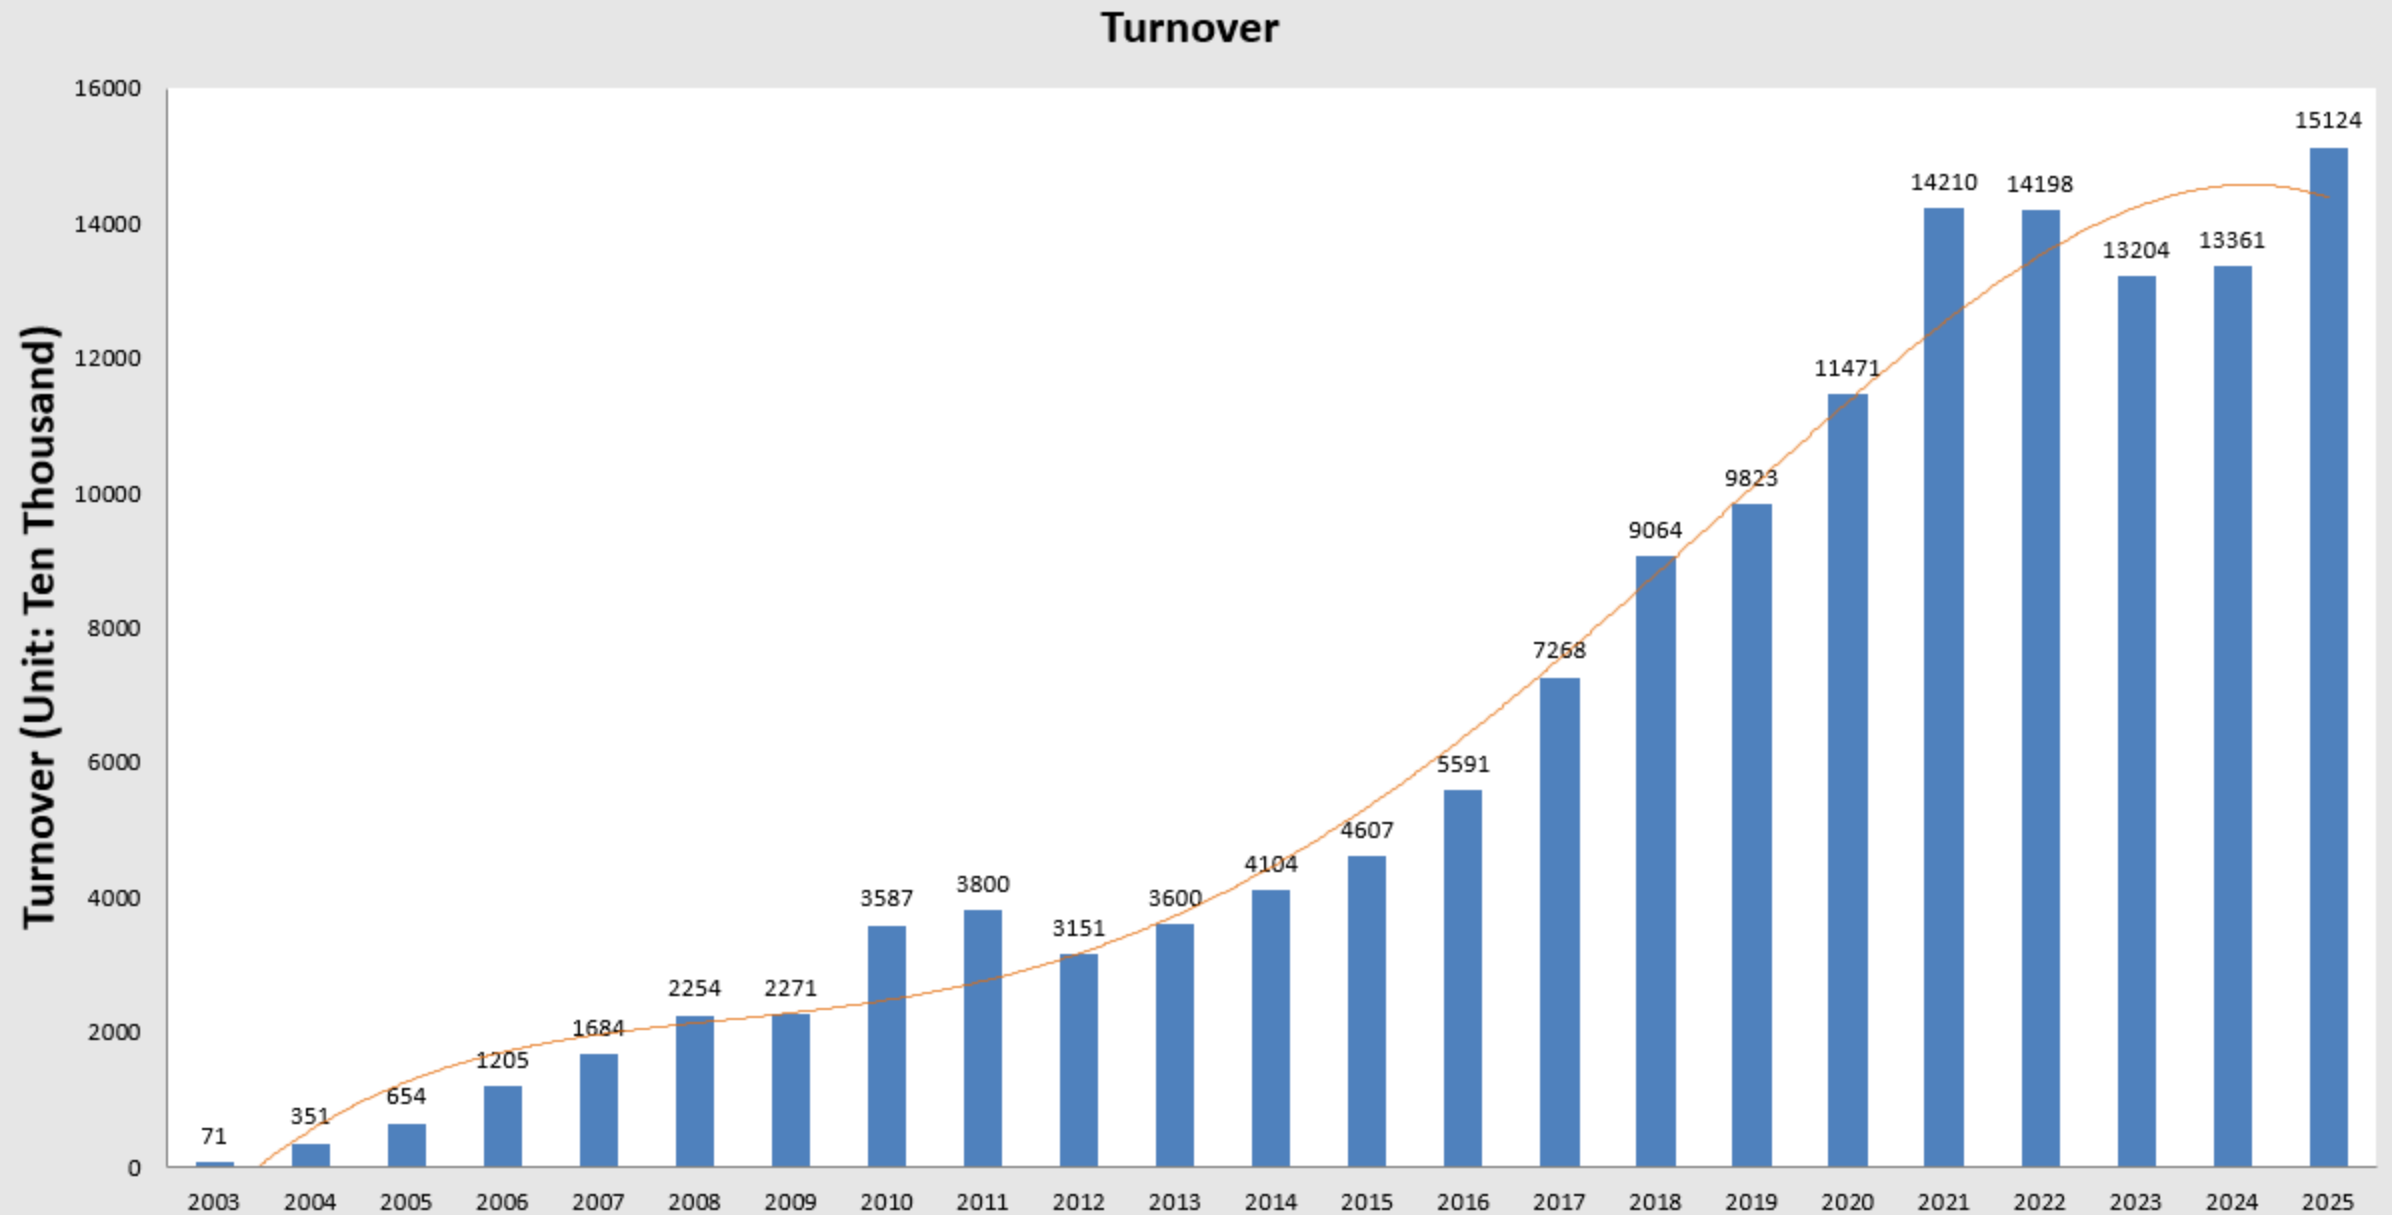

Housings & Tool

Customized Manifold

Annual capacity:
2 million
pieces valves

WHO WE SERVE

Product Application

Wind Power

Porting Machinery

Agricultural

Product Application

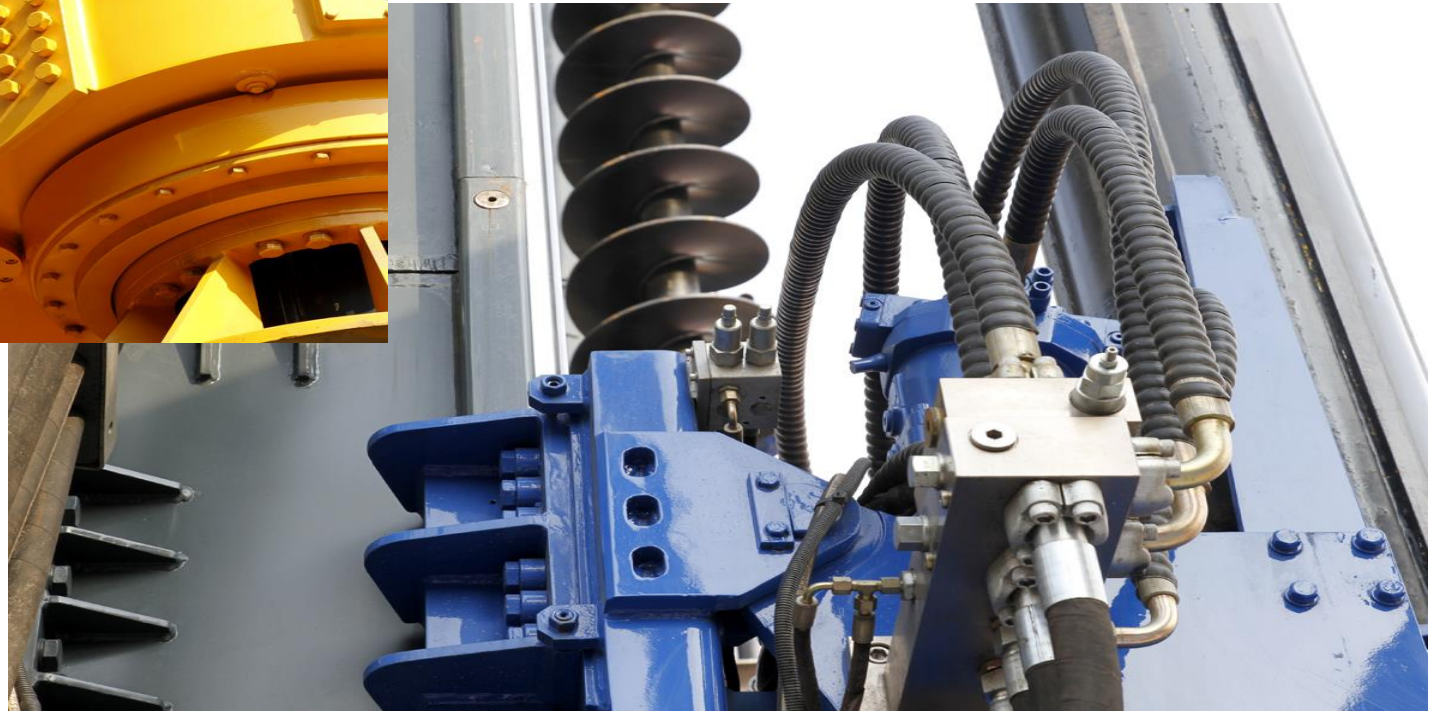

Machining Equipment
