Filtersun Group

Filtersun Filter(Dongguan) Co.,Ltd

Main production：

- Eco Oil Filter
- Cabin filter
- Air filter of passenger cars(Metal end cap, PU, PP, Eco)
- Garden Machinery Filter

Filtersun Filter(Jiangsu) Co.,Ltd

Main production：

- Engineering machinery Filter
- Agricultural machinery Filter
- Motorcycle Filter
- Spin on Fuel Filter
- Spin on Oil Filter

Filtersun Filter(Hubei) Co.,Ltd

Main production：

- Commercial Vehicle Filters
- Heavy duty Truck Filters
- OEM Filters

Hubei Wisemate Technology Co.,Ltd

Main production：

- Industrial filtration
- Ventilation system
- Electric smart mask,disposable face mask,Foldable KN95 face mask
- New ventilation etc.

Company introduction

富滤盛集团 FILTERSUN GROUP | Filtersun® FILTER 富滤盛® 滤清器 滤清器服务专家

Filtersun group focuses on Filtration R&D,manufacturing,Marketing and sales service.

The group holds 7 subsidiaries:
Filtersun Filter(Jiangsu)Co.,Ltd.,
Filtersun Filter(Dongguan)Co.,Ltd.,
Filtersun Filter(Hubei)Co.,Ltd.
Hubei Wisemate Technology Co.,Ltd,
Filtersun Filter(Guangzhou)Co.,Ltd.,
Sumo Motor Oil(China)Co.,Ltd.
FILTERSUN INDUSTRY(HONG KONG)CO.,LIMITED

The headquarter locates in developed city Dongguan famous for manufacturing with fast transportation.

Filtersun applys IATF16949:2016,ISO9001:2015,ISO14001:2004,OHSAS18001:2007 and it is GMC member certified by TUV.
It is national high tech enterprise,hold import and export permit license.We have employment permit for foreign employees.Now Filtersun is scaled filters enterprise with widest range of filter products in China.

Filtersun brand filters are made of good quality materials by fine equipment and strict quality control.
All filters offered by Filtersun are quality guaranteed and cover Product Liability Insurance.

Capital annually invested for improving equipments,developing new products,for best price price performance filters.

Products range covers Air filter(metal end,PU,PP,ECO),Cabin filter,oil filter,fuel filter,hydraulic filter,spin-on filter,water separator,gas separator,purifying filter,EDM filter,high precision filter,recovery filter,customized filters,spanner,filter head,plastic assembly,wipers,sumo oil and Filter parts,filter paper,filter equipment and technology etc.

Company introduction

Filtersun is famous brand national wide,Taiwan and Hongkong,enjoy good reputation.And OEM to many famous brand worldwide like SANY etc.
Till now filtersun products launch in more than 70 countries like USA,Germany,Finland,Russia,Ukraine,Turkey,Canada,Australia,Korea,Singapore,Thailand,Malaysia,Vietnam,Indonesia,Iran,Nigeria etc.

Filtersun is honored “Top ten aggressive filter enterprise,Top ten aggressive filter brand,Top ten innovative filter brand,Top ten innovative filter enterprise,The most investment value brand,China’s famous filter brand”.

We believe Filtersun can creat value for customer.
And Filtersun will try the best to provide best and professional products and service.

Thanks for customer support all the time.
Looking foward to cooperating with you for better future.

Filtersun always keeps on moving.We are trying to do better for winwin cooperation.

1、Filtersun Filter (Dongguan) Co.,Ltd

Located in Dongguan, a developed city with convenient transportation and an excellent reputation for OEM manufacturing, covering a production area of around 15,000 square meters.

2、Filtersun Filter(Jiangsu)Co.,Ltd

Located in Shuyang, a historic and talent-rich county. As Filtersun's Second manufacturing base, it covers over 50 acres, with a production area of around 33,000 square meters.

3、Filtersun Filter(Hubei)Co.,Ltd.

Located in Dawu, Hubei Province, an old revolutionary base area. It covers over 50 acres, with a completed modern factory building of around 31,000 square meters.

4、Hubei Wisemate Technology Co.,Ltd,

Located in Dawu, Hubei Province, It covers over 50 acres, with a production area of around 25,000 square meters.

Filtersun is one of the large-scale filter enterprises in China with the widest product range. It operates 4 manufacturing bases and 3 companies, covering a total production area of over 100,000 m² and offering more than 9,000 product models.

Main products

富滤盛集团 FILTERSUN GROUP | Filtersun® FILTER 富滤盛® 滤清器
滤 清 器 服 务 专 家

滤清器全套解决方案提供商
FILTERS COMPLETE SOLUTION SERVICE PROVIDER

应用范围 APPLY RANGE

芯虽小，滤无限!

富滤盛滤清器广泛应用于:

小汽车、巴士、叉车、摩托车、重型卡车、装甲车、火车等车辆;挖掘机、装载机、压路机等工程机械;发电机组;卷烟厂、发电厂、油田、船舶、游艇、吊车、码头机械;冶金机械;空气压缩机及其过滤系统;线切割机、电火花机、注塑机、印刷机、吸尘器、扫地机等工业机械;割草机、收割机等农用机械;粉沫喷涂回收系统、医药化工行业、无尘车间、中央空调、新风机、电动送风口罩等净化领域。

Filtersun Filters are widely used in:

cars, buses, forklifts, motorcycles, heavy vehicles, armored vehicles,trains and other vehicles; Excavators, loaders, roller construction machinery; Generator set; Cigarette factory, powerplant, oil field, ship,yacht, crane, wharf machinery; Metallurgical machinery; Air compressor and its filtration system; Line cutting machine, EDM machine, injection molding machine, printing machine, vacuum cleaner and other industrial machinery; Lawn mowers and other agricultural machinery; Dust spraying recovery system,pharmaceutical and chemical industry, dust-free workshop, central airconditioning, new fans, electric air supply masks and other purification fields.

Product features

Filtersun Air filters advantages:

- As air filters is for air filtration.Filtersun air filterwill protect engine better by good quality.
- The range covers metal end air filter,PU air filter,PP air filter and air filter.
- Metal end and mesh inside and outer is imported electrolytic board,good appearance and anti-rust.
- The inner and outer mesh are spiral for better holding.

- Some filters with mesh,we make it engaged for better appearance and safe consideration.
- And air filter sealing ring,filtersun choose high elasticity material and better keeping off dust.Filtersun add black rbber for stable sealing.
- Filtersun filters are designed according to OE standards for good quality.
- The filtration paper is double layers which enjoys longer lifetime,holds more dust to save fuel,which it is patented.
- Good quality PU material,smooth appearance,elastic.
- High quality embossing paper to improve stability of filtration and avoid paper attachment.
- All filters from Filtersun are brand guaranteed by Filter body printin,anti-fake label,filtersun brand package etc.
- Please choose filtersun quality filters,replace air filters in time for cleaner space.

Product features

Filtersun Nano silver Cabin filters advantages:

- As Cabin filters is for fresh air of inner space.
- Filtersun brand cabin filters will help to keep dust,pollen and impurity away for better driving surroundings.
- Electro microfiber is applied on filtersun brand cabin filters,helps to keep off more than 98% dust,PM2.5.

- Active carbon will absorb formaldehyde,peculiar smell,oganic volatiles etc. and helps to alieviate atomized water.
- Nano silver fiber can keep away colon bacillus,Staphylococcus aureus,Candida albicans etc.
- Filtersun apply advanced paper cutting patented technology to avoid carbon leaking.
- Imported automatic frame cover equipment from korea.Advanced equipments helps to improve efficiency and save cost.
- Filtersun applys IATF16949,2016,1S09001 :2015,ISO14001:2004,OHSAS18001:2007,GMC etc. customer can rest assured about the quality control.
- Please check cabin filters often and choose filtersun brand cabin filter for replacement

Product features

Filtersun PM2.5 Cabin filters advantages:

- This is high grade cabin filter specially for anti-smog.
- Imported HEVA filter material will help keeping off smog,dust,impuricity,pollen etc.Filtersun filters are tested by authorized laboratory,PM0.3 more than 95%,PM2.5 more than 99.3%.
- This cabin filter is for 2 nano meter objects which is 80-100 times of common filters in the market.
- Imported HEVA enjoys bigger filtration area even 5-10 times of common filters.
- The color of material is blue same as filtersun culture,clean and beautiful.

- Medical purified rubber injection technology for better function.
- With big active carbon object,the filter can better absorb peculiar and harmful smell.
- Added molecular sieve to absorb CO2,TVOC,formaldehyde etc.
- Honey comb structure helps the active carbon and molecular sieve spiral,improve absorption.
- Soft sealing no leaking.
- Imported composite Hepa material coated nano silter,better for anti-bacterials.
- Filtersun applys IATF16949：2016、IS09001 : 2015,ISO14001:2004,OHSAS18001:2007,GMC etc. you can rest assured about the quality control.
- Every filter is with manual and covered by insurance.
- Widest range of cabin filter for your choice.
- The PM2.5 cabin filter conforms to CE standard.
- Once you buy one PM2.5 filter from Filtersun,we will donate 10 cents into Love fund for school.

Product features

Filtersun Oil filter advantages:

- Oil filters will help to remove impurity from oil.
- All oil filters are coated blue like filtersun culture color,white printing,clear and simple filter body printing design.
- All oil filters applys HV USA and AK paper with longer lifetime and better filter accuracy.

- The Spin-on oil filters quality standards conform to filters for engineering machine and heavy truck.
- Filtersun applys hot plate welding technology on plastic end eco oil filter element. Which improves the accuracy and is more stable.
- All foam end eco oil filter,we carry ultrasonic welding technology like OEM.
- The o-ring is good quality suitable in high and low temperature surroudings,no leaking.
- The oil filter can stand high pressure and runs well in hot surroudings.
- Please check and choose filtersun brand oil filter as replacement.

Product features

Filtersun Fuel filter advantages:

- Filtersun brand fuel filters keep engine and anti-injection system from pollution.
- Fuel filters cover gasoline filter and diesel filter or inner and outer according to installation.
- HV USA and AK paper are applied onto all fuel filters,which enjoys longer lifetime,filter accuracy,anti-corrosion,helps to save cost.
- Composite paper imported from Germany are used on Fuel filter for EURO III.
- All the metal parts are from fine mold tooling,phosphorated for anti-rust and cleaner.
- The o-ring is good quality suitable in high and low temperature surroudings,no leaking.
- Please check fuel filter regularly and choose filtersun brand fuel filter as replacement.

High quality raw materials

- Imported high quality filter paper,which contributes to good quality filters.
- The main filtration material is imported from USA,Korea,Germany.Some is from qualified famous domestic supplier.
- The metal materials are supplied by BAOSTEEL.
- The rubber ring are supplied by HAIMEN-RUBBER.

- Filtersun always choose excellent supplier as partner based on win win cooperation.
- They are strictly tested not only competitive price but also quality control,company management,delivery time etc.

Product advantage

Rich technical resources,fast Response of R&D team,In time delivery.

Filtersun with 26 professional management employee and 12 technician.

Rich technical resources guarantees fast new products R&D,which helps filtersun products launch to market earlier than competitors.

Normally delivery time 25-45 days.30-45 days for new mold.

Product advantage

Personnel training

- Trained employees in workshop
- Human resource is the most important treasure of filtersun.All employees are strictly tested before entry.
- Filtersun focus on improving ability of employees.We provide Pre-employment training,on-the-job training,technical training etc.

- Filtersun main department heads are all experienced in filters production or management.
- We focus on stability of human resource to minimize the effect.
- The impact of human factors on product quality has been reduced to a minimum.

Product advantage

Powerful technical support and talented employees

- Filtersun cooperate with many colleges and R&D center.They support filtersun in talented employees and technics.
- Filtersun cooperates with City College of Dongguan University of Technology.
- Filtersun cooperates with Guangdong university of science&Technology in 2014.
- Filtersun cooperates with Dongguan POLYTECHNIC

Product advantage

Strict process and quality control

- Filtersun focus on product quality and process quality.
- All raw materials are strictly inpected based on ISO9001：2015、IATF16949：2016,like incoming material inspection,sample inspection,process inspection,delivery inspection etc.

品质保证

富滤盛所销售之滤清器，均采用国内外优良原料精工制作，每一个产品均经过严格检验，并由中国太平洋保险承担产品责任险。

为保障广大消费者的利益，我们作如下郑重承诺：

1. 富滤盛所生产之滤清器均参照 OEM 件所用物料及加工工艺之质量要求；富滤盛保证它的每一个用于相应设备上的新的滤清器不存在任何缺陷，如发现任何有缺陷的新滤清器，你可以将其退回给我方，换回新的滤清器。

2. 如果一个新的富滤盛滤清器，安装恰当后在正常的使用期限内造成的机械损坏，我公司将赔偿物主那部分的修理费用，以使机械恢复到受损以前的状况。

3. 此承诺所承担之设备的维修索赔必须于损坏发现当日起 48 小时内提出，并书面形式与我公司技术部联系。

4. 本公司技术服务部保留对损坏设备及被指有问题的滤清器之检查权，判断其损坏程度及该损坏是否由我公司产品造成。

5. 以上承诺及保修有效范围仅限中华人民共和国境内。

6. 但以下情况作保证适用范围外处理：

① 当发生故障原因的滤清器（含橡胶件类）遗失或故意破坏以至无法调查的情况下，我方将不予负责任。

② 当装配了本公司提示的适应型号以外的滤清器而造成机械损坏，我方将不予负责任。

③ 由于滤清器装配作业过失而造成机械损坏，我方将不予负责任。

④ 车辆有缺陷，及状态不良的情况下引起的滤清器损坏，我们将不予负责任。

⑤ 改装发动机，或超负荷使用而引起的滤清器损坏，我方将不予负责任。

⑥ 属于运输途中所造成的产品损坏，我方将不予负责任。

Quality Guarantee Certification

Filtersun has passed the ISO9001:2000, IS014000, TS16949 International Quality Certification.Our filters delicately made of excellent material home and abroad. Every products is inspected strictly.

In order to protect the interests of consumers, we make the solemn commitments as follows:

1. Filtersun manufactures the filters referring to the requirement of OEM material and processing technology. We assure each new filter used on appropriate equipment has no defects.If you find any defective new filter,you can return it to us and change a new one with no defects.

2. If the machine is damaged by our properly installed new filter in its normal service life,we will compensate the consumer with repair expenses to restore the machine to their former positions.

3. The claim of repair expenses must be submitted to our technique department in written form within 48 hours since the date when the damage is found.

4. The technique department of our company reserves the right to inspect the damaged equipment and the indicated fault product so that they can judge how serious the damage is and whether the damage is caused by our filter.

5. Above warranty certificate is limited to Chinese local market.

6. The following conditions are beyond the range of warranty:

① If the failure caused filter(including the rubber parts) is lost or intentionally damaged so that there is no way to invest it,we will not be responsible for it.

② If the machine is damaged by installing the inappropriate filter,we will not be responsible for it.

③ If the machine is damaged by the incorrect assembly operation,we will not be responsible for it.

④ If the damage is caused by the defective vehicle or its bad condition,we will not be responsible for it.

⑤ If the damage is caused by retrofitting the engine or overloaded usage,we will not be responsible for it.

⑥ If the products are damaged in transit,generally we will not be responsible for it, but we will cooperate with the customer to claim against the transport company.
