让生活更美好

Make life better

Provide innovative technologies and solutions for factory production of precast components

提供预制构件工厂化生产创新技术及解决方案

Serving precast buildings, rail transit, roads and bridges, municipal engineering, and new energy fields with more professional technology and better equipment

以更专业的技术、更好的装备服务装配式建筑、轨道交通、市政、路桥、新能源领域

Production capacity 生产能力

公司总部坐落于石家庄市正定科技工业园，是集科研、生产制造、技术研发与配套技术服务于一体的大型综合性产业基地。

公司全资子公司坐落于石家庄市行唐县，占地 72 亩，主营预应力轨枕模具、双块式轨枕模具等产品。

全资子公司位于石家庄市高邑县，占地 62 亩，主要生产箱梁模具、大型风电模具、大型双 T 梁模具及钢结构支撑件。

新建规划厂区坐落于石家庄市正定自贸区，占地 83 亩，是集研发、办公、生产于一体的大型综合产业基地。

Quality management system certification 质量管理体系认证

Environmental management system certification 环境管理体系认证

Occupational health and safety management system certification 职业健康安全管理体系认证

Intellectual property management system certification 知识产权管理体系认证

Complete intellectual property rights 完全知识产权

Xindadi continues to carry out technological innovation and has developed multiple internationally pioneering precast equipment and methods. In the past 21 years of practice, we have obtained 104 patents related to precast concrete, including 19 invention patents. Obtained 15 software copyrights.

The product has no intellectual property risk

河北新大地持续开展技术创新，先后研发多项国际首创预制装备和预制工法。从业21年来，已经获得预制混凝土相关专利104项，其中发明专利19项。获得软件著作权15项。
