Service
服务

Established: 2008
成立时间: 2008年

Headquarters: NingBo, ZheJiang, China
总部地点: 中国浙江宁波

Core Business: Design, Manufacturing, Distribution of high-quality fasteners and wear parts for construction & mining machinery.
主营业务: 工程机械紧固件及矿山耐磨易损件的研发、生产与销售

Jetty Manufacture is a leading manufacturer and supplier of precision-engineered fasteners & wear parts specifically designed for the construction & mining machinery industry. Since our establishment in 2008, we have been committed to delivering reliable, durable, and high-performance fastening & wear solutions that meet the rigorous demands of heavy-duty applications.

Our product range includes bolts, nuts, washers, pins locks, and custom-designed fasteners & various wear parts used in excavators, bulldozers, cranes, loaders, and other earthmoving equipment. We cater to OEMs, aftermarket suppliers, and construction companies worldwide, ensuring their machinery operates at peak performance even in the most challenging environments.

宁波杰顶工程机械有限公司, 简称杰顶制造, 是一家专注于工程机械紧固件及矿山耐磨易损件的研发、生产和销售的高新技术企业。自2008年成立以来, 公司始终致力于为全球工程机械行业提供高品质、高可靠性的紧固件及耐磨解决方案。

我们的产品广泛应用于挖掘机、起重机、推土机、压路机等各类工程机械设备, 涵盖螺栓、螺母、垫圈、铲齿锁销装配及挖斗耐磨件等多种类型, 满足不同工况下的紧固及耐磨需求。

Key Strengths | 核心优势

Advanced Technology 技术领先

We utilize state-of-the-art manufacturing processes and stringent quality control systems to produce fasteners that meet international standards.
公司拥有一支经验丰富的研发团队, 持续创新, 采用先进的生产工艺和检测设备, 确保产品符合国际标准。

High-Quality Materials 质量保障

Our fasteners are made from premium-grade alloy steels and treated with advanced coatings for superior strength, wear resistance, and corrosion protection.
我们严格执行质量管理体系ISO9001-2015, 从原材料采购到成品出厂, 每个环节都经过严格把控, 确保产品的高强度和耐用性。

Custom Solutions 客户至上

We offer tailored fastener designs to meet specific customer requirements, ensuring optimal performance for unique applications.
公司始终以客户需求为导向, 提供定制化服务, 满足不同客户的特殊要求, 并与多家全球知名工程机械制造商建立了长期合作关系。

Global Reach 全球布局

With a robust distribution network, we serve clients across globally, providing timely delivery and exceptional customer support.
我们的产品不仅畅销国内市场, 还远销欧美、东南亚、中东等地区, 深受客户信赖。

Mechanical Properties As Below For Reference

Products	Quality		Tensile Strength		Hardness	Material
	GB	SAE	P.S.I	Mpa		
Bolts	Grade 8.8	Grade 5	≥120,000 P.S.I (85 Kg/mm2)	≥830	HRC26-32	35#,45#,1035,1045
	Grade 10.9	Grade 8	≥150,000 P.S.I (105 Kg/mm2)	≥1040	HRC32-38	40Cr,5140,42CrMo,4140
	170 Quality	Grade 9	≥170,000 P.S.I (120 Kg/mm2)	≥1172	HRC38-42	40Cr,5140,42CrMo,4140
	Grade 12.9		≥176,000 P.S.I (124 Kg/mm2)	≥1220	HRC39-44	42CrMo,4140,40CrNiMo,4340
Nuts	Grade 10				HRC26-36	45#,1045,45C
	Grade 12				HRC32-42	40Cr,5140,42CrMo,4140

Jetty Manufacture

Jetty Manufacture: Fastening Every Bit of Trust, Resisting Every Bit of Commitment.

—— High-quality fasteners and wear-resistant parts, ensuring efficient machinery operation.

杰顶制造, 紧固每一份信任, 耐磨每一份承诺。

—— 高品质紧固件与耐磨件, 助力机械高效运转。
