COMPANY PROFILE

Committed to Excellence Since 1990

Our products can be made to customers' exact specifications. We provide our products and services to many domestic automotive SOEM. Our products are also exported to Europe, North and South America.

Certificate

Our company is ISO 9001:2015 and IATF 16949:2016 certified. We have advanced, professional, and highly automated production lines for Universal Joints and Double Cardan CV Heads, four multi-purpose heat treatment production lines, and complete product inspection equipment.

IATF 16949:2016

ISO 9001:2015

Zhejiang Liqun Auto Parts Manufacturing Company, founded in 1990, specializes in manufacturing Universal Joints and Double Cardan CV Heads. The annual output of Universal Joints is around 12 million units.

FROM PRODUCTION TO THE WORLD

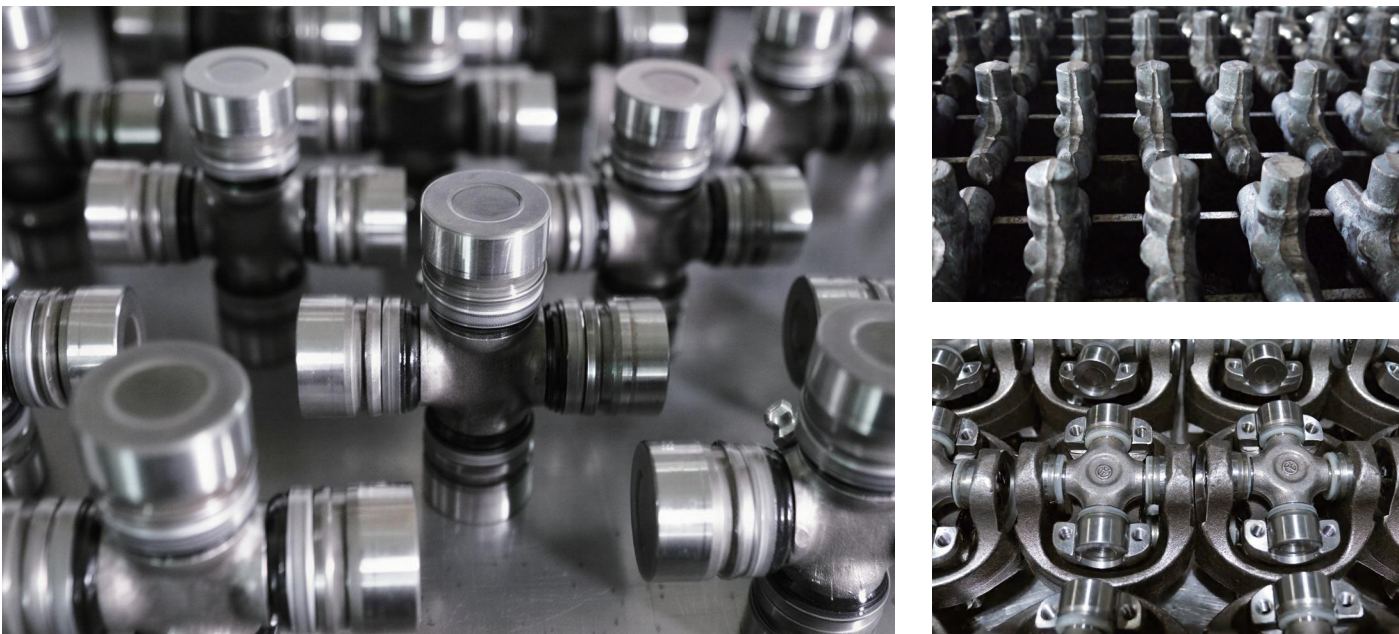

Every step counts — from intelligent manufacturing and meticulous inspection to efficient logistics and global delivery. With advanced equipment, automation, and a dedicated team, we ensure each product embodies quality, innovation, and reliability from start to finish.

From design and precision manufacturing to quality inspection and global delivery, every step reflects our commitment to excellence. Advanced equipment, automated production, skilled workers, and strict quality control ensure every product meets international standards before it reaches our customers worldwide.

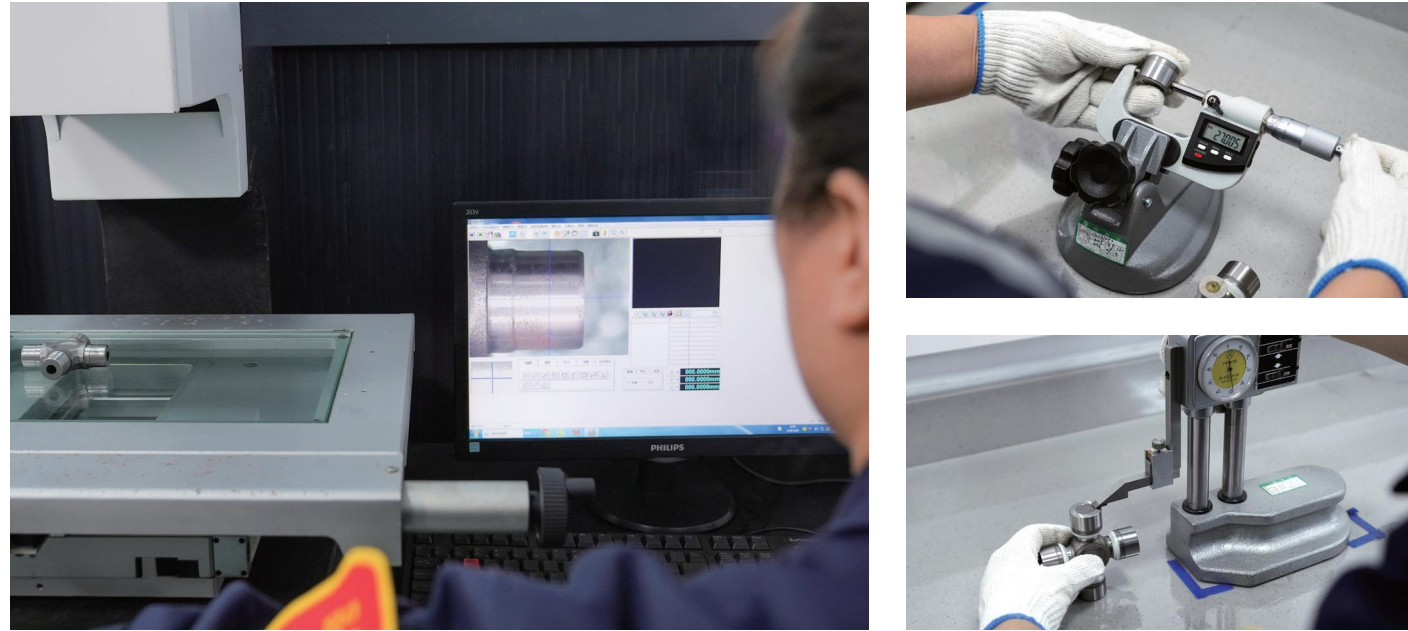

Highly Automated Precision Manufacturing Equipment

High-Quality Universal Joint Products

Excellence in Inspection and Delivery

Efficient Packaging and Global Delivery

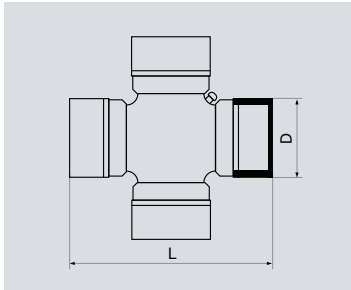

PRODUCTS LINE

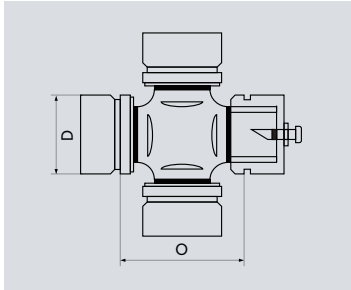

LIQUN follows the ISO 9001:2015 quality management system. We strictly inspect all product components and assemblies, establish rigorous quality guidelines for each stage of assembly, and use standardized production procedures and tools to ensure the quality of every operation.
