COMPANY PROFILE:

Linyi Dingtian Construction Machinery Co., Ltd. Located in Linyi, Shandong province, was established in 2003 and has developed into a comprehensive company specializing in spare parts ranging from wheel loader, crane, engine, gear box as well as other construction machinery. Over the past 20 years, our products have been imported to a variety of countries and regions, including but not limited to Russia, Algeria, Iran, Saudi Arabia, Syria, Tanzania, Nigeria, Vietnam, Bangladesh and have received unanimous acclaim from our customers.

Being a strategic logistic center in northern part of China, Linyi is also surrounded by SDLG, XCMG, SEM, LOVOL, SHANTUI as well as other world- renowned machinery companies. The above privilege, together with our tenets of Professionalism, Reliability and Commitment, makes us a leading company in the field of construction machinery spare parts.

Looking forward to being your reliable partner as well as your best friend.
