矫马[®]
JIAOMA[®]

Guangzhou Yijue(Juege) Construction Machinery Parts Co., Ltd. was established in 1998. The company has long been committed to the R&D, production and sales of excavator spare parts at domestic and abroad, and its main products are sold all over the world. The series of products of its own brands "JueGe" and "Jiaoma" are deeply favored and loved by customers from many countries in Southeast Asia, the Middle East, Europe, Africa, North and South America etc.

Series of juege products mainly include lamps, diesel tank cover, ignition switch, door lock, sensor, solenoid valve, throttle motor, flameout switch, floating oil sensor, fuel transfer pump and so on. jiaoma series products include starter motor, alternator, water pump, fuel pump, etc.

Adheres to the concept of quality development, to provide customers with best quality products and services, we are focused on the material and production technology to ensure the interests of customers!

We are looking forward to establishing a long-term, friendly, mutually beneficial and win-win relationship with customers who pursue high-quality products and services, and exploring a broader space for the development together.

Warmly welcome customers and friends who are interested in our products or business pattern to contact us at any time!
