襄阳钛虎动力工程有限公司 XIANGYANG TIGERPOWER CO.,LTD.

公司简介

COMPANY PROFILE

Founded in 2011 and based in Xiangyang, Hubei – a prominent engine industry hub in China – Xiangyang Tigerpower Co., LTD specializes in R&D, manufacturing, and global supply of cylinder blocks and cylinder heads for diesel and natural gas engines, serving commercial vehicles, light and heavy-duty trucks, construction machinery, and generator sets.

Our 66,000m² production facility is equipped with advance vertical CNC equipment, imported horizontal machining centers (from Germany, Japan, and Korea), NIIGATA flexible manufacturing system, DMG flexible machining line and robotic automation line. Certified to IATF 16949 and holding over 45 patents, we have an annual capacity of 240,000 pieces, ensuring high precision and long-term durability.

Our products are exported to more than 100 countries & regions and extensive OEM project experience. We sincerely welcome global customers to visit our plant and explore future cooperation opportunities.
