ABOUT US

Zhejiang Dafeng Metal Forging Pipe Parts Co., Ltd. is a professional manufacturer mainly producing forged coupling for concrete pumps. Since its establishment in 2007, Dafeng has expanded to encompass a 15,000-square-meter production base and 7 semi-automatic forging lines. Dafeng couplings have a full range of models, suitable for a variety of well-known brands of concrete pump trucks. From product design, raw material sourcing and production management to quality control, its spectrum of services covers the entire supply chain end-to-end. Wth high pressure resistance, high wear resistance and long service life, Dafeng couplings are sold all over the world. What's more, Dafeng also provide OEM services to reduce costs for customers and improve product competitiveness.

DAFENG
CONCRETE PUMP PARTS

Zhejiang Dafeng Metal Forging Pipe Parts Co., Ltd. also provides one-stop-shopping service to meet customers'specific needs, such as concrete pump delivery pipes, elbows, rubber hose, cylinder, sponge ball and other wear parts. As an exporter with nearly 20 years'experience, Dafeng always offer highest-quality with affordable price.

Over the years, Dafeng has won high praise worldwide for its excellent performance, Looking ahead, Dafeng will continue to deepen its roots in the concrete pump parts industry, delivering higher-quality products, superior service, a more comprehensive product lineup, and greater cost-effectiveness to serve its customers and the global market.

OUR ADVANTAGES

- High-quality manufatcturing materials
- Scientific and reasonable design
- Advanced production technology
- Safe and efficient work performance
