

SUNHUI

深圳市晟辉机械有限公司

SHENZHEN SUNNUI MECHANICAL CO.,LTD.

Introduction
公司简介

深圳市晟辉机械有限公司是我国最早研制大直径潜孔锤成套设备及桩工机械的高新技术企业，拥有一批长期从事该行业的高水平技术人员及大型数控设备。二十多年专业从事大直径潜孔锤设计、研发、制造、施工经验，高效、稳定的入岩科技，获颁多项发明、实用新型专利和市级、省级工法证书。

晟辉致力于入岩设备的研发制造及施工工法的研究推广， 也可根据客户的特殊要求而为其量身定制产品，以满足不同的需求，我们与各大知名企业建立了长期合作关系， 为国家众多重点项目提供了完美的解决方案，追溯创业的艰辛，共享收获的喜悦。晟辉人在和谐、诚信中成长，企业在高效创新中极速拓展。

晟辉机械秉承“精益求精、真诚服务、互惠互利、为您创造价值”的理念，以“一流管理、一流技术、一流质量、一流服务”为企业宗旨。用雄厚的技术实力、精良的加工设备及严格的质量管理，立志打造成中国乃至世界的潜孔锤设备知名品牌。感应每一次时代勃发的脉动！质量第一、用户至上。晟辉凭借过硬的技术有效的保证了潜孔锤成套设备及桩工机械的高品质，更以供货及时和完善的后期服务，多年来在国内外市场上赢得了良好信誉。晟辉人正以非凡的胆识和智慧锻造的利剑去征服一座又一座的高山，呕心沥血地创造着历史，挥洒的是辛勤的汗水，收获的是丰硕的果实，晟辉将与您携手共进，奔向美好明天！

Shenzhen SUNHUI Mechanical Co., Ltd. is the first high-tech enterprise in our country to develop complete sets of DTH equipment and piling machinery. with a group of high-level technicians who have been engaged in the industry for a long term and large NC equipment. Specialized in the design、 development、 manufacturing and construction of large-diameter DTH for more than 20 years.The efficient and stable technology called”inserting rock”,has been awarded a number of utility model invention patents and municipal&provincial construction method certificates.

SUNHUI is committed to the manufacturing of embedding equipment and research promotion of construction methods,We can also customize products for customers according,to their special requirements to meet different needs. We have established long-term relationships with major famous companies and provided perfect solutions for many national key projects.Reviewing the hardships of entrepreneurship and sharing the joy of harvest,all members of SUNHUI grow in harmony and integrity with a rapid development in effident innouation.

SUNHUI adheres to the concept of”excellence,sincere service,mutual benefit and valuable”,with first-class management, high technology,top quality and five-star service,sophisticated processing equipment and strict quality management. We are determined to become a well-known brand of DTH equipment in China as well as worldwide with strong technical strength,to feel the pulsation of fast growing era,Quality first ,customers first.SUNHUI effectively guarantees the high quality of complete sets of DTH equipment and piling machinery, SUNHUI effectively guarantees the high quality of complete sets of DTH equipment and piling machinery,and has gained credibility in domestic and foreign markets over the years by its timely supply and complete after-sale service.SUNHUI is overcoming more and more difficulties through extraordinary courage and wisdom to create magnificent history.Making the effort to achieve large success,Shenzhen SUNHUI Mechanical Co.,Ltd. Will work together with you towards a better tomorrow!
