温州久耐汽车配件有限公司
WENZHOU JIUNAI AUTO PARTS CO., LTD

Jiunai Co.,Ltd is located in Wenzhou City, Zhejiang Province, China. We specialize in the production and sales of tensioner, Timing tensioners, idler pulley, Overrunning Alternator Pulley , and more than 3,000 types of tensioners,covering cars, trucks, engineering/agricultural machinery.

With the changes in the market, in order to meet the various needs of customers, we continue to improve our product series, and have now developed timing belt sets, accessory belt sets, and timing chain sets.

We have many years of industry experience and lessons learned from cooperation with internationally renowned companies.

We can always provide you with:

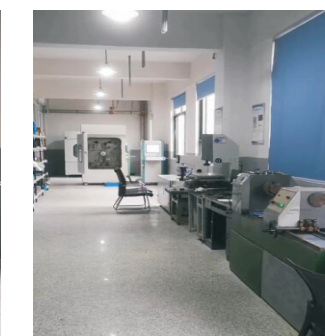

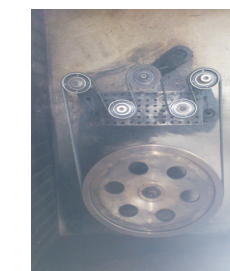

More cost-effective products- you can have a more stable market.

More reliable product quality-solve your worries .

More professional product services-save you more valuable time.

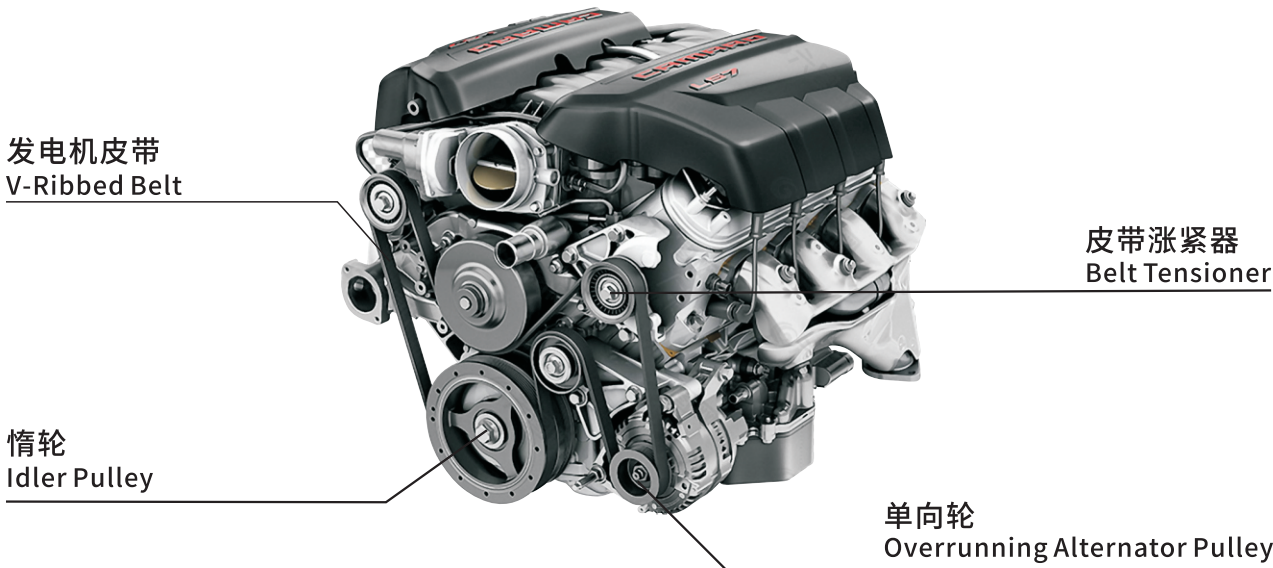

Shorter delivery cycle-reduce your inventory pressure.

TAKE EVERY STEP CAREFULLY IN THE PRODUCTION PROCESS TO ENSURE THAT DEFECTIVE PRODUCTS HAVE NOWHERE TO HIDE

产品应用 PRODUCT APPLICATION
