Techking (Stock Code: 920020) is a tech-driven high-tech enterprise dedicated to the global mining and construction tire markets. By focusing on scenario-based customer needs, Techking provides application-specific, electrified, intelligent, and autonomous tire solutions that help customers minimize tire wear and maximize operational efficiency.

Today, Techking's products and services reach over 100 countries and regions. We have established strong partnerships with global mining giants and leading OEMs, including Rio Tinto, Caterpillar, Komatsu, Liebherr, SANY, XCMG and LGMG.
