About Us

Xuancheng Oudai Metal Products Co., Ltd.

- Xuancheng Oudai was formerly the Pingwang Qiancun Casting Factory in Wujiang City, Suzhou. It was established over 20 years ago and relocated in 2017 to the Shizi Industrial Park in the Langxi Economic Development Zone, Xuancheng City, Anhui Province. The company occupies an area of 100 mu and is a private enterprise authorized by the local government to produce cast iron components and machined parts.
- The current annual revenue exceeds 100 million yuan, spanning special equipment (elevators) and various major machinery manufacturing sectors.
- The company specializes in various types of counterweights and balancing weights. Guided by its corporate values of "working together in harmony and striving to build a better future," the company is deeply committed to the foundry industry.

关于宣城欧岱金属制品有限公司年产3.75万吨电梯部件、铸件、复合配重块和金属制品项目环境影响报告书审批意见的函

宣城欧岱金属制品有限公司：

你单位报来的《宣城欧岱金属制品有限公司年产3.75万吨电梯部件、铸件、复合配重块和金属制品项目环境影响报告书》及审批申请悉。经专家技术审查和我局局务会集体审议，批复如下：

一、本项目位于郎溪十字经济开发区S214省道的东侧，项目规划用地面积48.51亩。建筑面积20608.99平方米，共建有6栋生产车间、1栋办公楼、1栋宿舍楼及其他附属设施，项目建成后可年产电梯部件（包括电梯铸件及五金件）10000吨，运动器材等其他铸件10000吨，复合配重块10000吨、各类金属制品7500吨。

二、该项目符合郎溪十字经济开发区总体规划要求，业主在认真落实《报告书》中提出的污染防治对策和措施的基础上，从环境保护角度分析，该项目建设可行。同意你单位按《报告书》所列建设项目的性质、规模、地点、工艺、环境保护措施进行建设，并重点做好以下工作：

In the field of special-purpose equipment—specifically elevators:

Xuancheng Oudai has long been a stable supplier of counterweight blocks to elevator companies, including Giant KONE—the wholly domestically owned brand of Finlands KONE Elevator in China—and Zhejiang Xieao, Chinas leading domestic elevator brand, as well as Meilun Elevator, an A-share listed company [603321].

Service Process

Part.4

development strategy

Tractor Development | Strategic Planning | Looking Ahead

Focused Casting

Scale up and refine our operations; maintain stable prices and prioritize quality.

cost decreasing and benefit increasing

Reduce communication costs, trial-and-error costs, and decision-making costs.

altruism

Resolutely abandon excessive profits and earn only reasonable profits.

Implement information-based management

Institutionalize management systems, proceduralize institutional processes, and digitize processes.

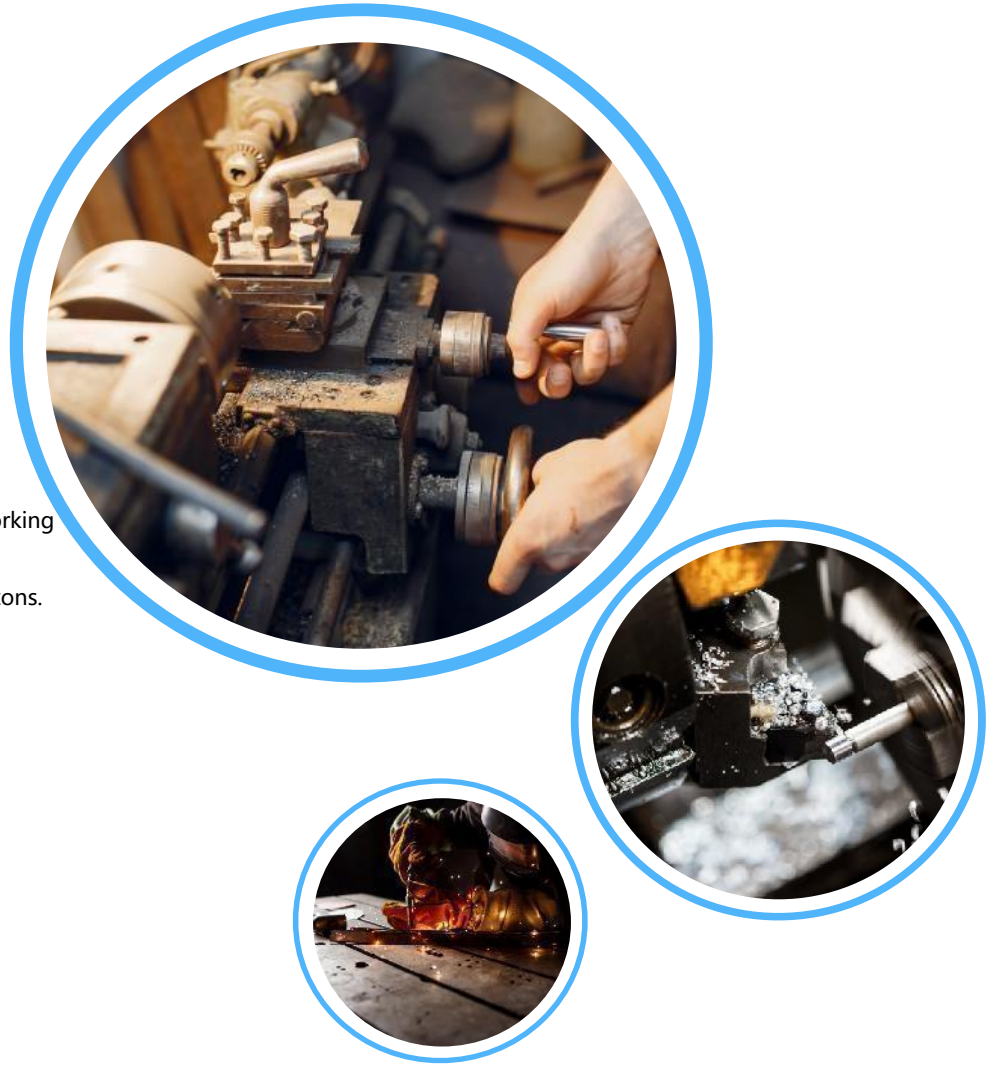

Comprehensive strategic layout

Enter as soon as possible the ranks of leading enterprises in various sectors and complete the industrial layout.

AFTERWORD —— LOOKING AHEAD

Quality as the foundation, needs as the guide, the customer at the center, and talent as capital.
Great virtue bears all things; strive for self-improvement without cease.
Let dreams be our horses; through diligent action, we shall reach far-reaching goals.
We are eager to proudly form a community of shared endeavor with individuals from all sectors of society, working together for mutual benefit and win-win cooperation.
Show genuine care for one another and expand the scope of our ideals and aspirations to reach broader horizons.

To fulfill an even greater mission, we set out once again on our journey...
