

SPARE PARTS

- Sensei offers a wide selection of Common Rail spare parts, featuring nozzles, complete valve sets, plunger valve kits, seal kits, solenoids, solenoid valves and control pistons.

PREMIUM PACKAGING

- Each Sensei Common Rail injector comes in branded packaging with protective components, instructions, and a test report ensuring safe delivery and ready-to-install performance.

TEST BENCHES

STB-366 Multifunctional Test Bench

Compatible Brands

Performs fully automated, high-pressure testing of common rail injectors and pumps; measuring injection and return volumes while checking for leaks, blockages, and atomization quality for **Bosch, CAT, Perkins, Delphi, Denso** and **Siemens** injectors.

STB-118 Test Bench

Compatible Brands

Delivers high-precision common rail injector testing, generating up to 2,600 bar of rail pressure and measuring injection, pre-injection, backflow, and sealing performance for **Bosch, CAT, Perkins, Delphi, Denso** and **Siemens** injectors.

WIDE PRODUCT RANGE

- Extensive range and wide stock of **Common Rail injectors, spare parts, and test benches** compatible with **Bosch, CAT, Perkins, Delphi, Denso** and **Siemens** systems
- Produced in **top-tier factories** with **automotive** grade **quality**
- Delivered in **premium Sensei-branded packaging**, complete with a test bench report for authenticity and protection
- Same-day shipping** from a powerful, ready-to-ship inventory
- Multilingual team** fluent in English, Russian, Persian, German, French, Spanish and Arabic
- Global reach**—exporting to **90+ countries** with dealers in the USA, Mexico, UK, Portugal, Spain, Italy, France, Poland, Hungary and Netherlands
