广东南曦液压机械有限公司
GUANGDONG NACRE HYDRAULIC CO.,LTD.

公司地址：广东省肇庆市大旺高新区宝石路 7 号之一
Add:NO.7,Baoshi Road, Dawang High-tech Zone, Zhaoqing, Guangdong, China.
电话 (Tel): 0758-3981811 /3981812 /3981820 /3981821
传真 (Fax): 0758-3981814 邮箱 (E-mail): fu@nacre.com.cn
网址 (Website): www.nacre.cn

广东南曦液压机械有限公司
GUANGDONG NACRE HYDRAULIC CO.,LTD.

高品质液压油缸及液压控制系统专业研发制造

PROFESSIONAL R&D AND MANUFACTURING OF HIGH-QUALITY
HYDRAULIC CYLINDER AND HYDRAULIC CONTROL SYSTEM

ABOUT US

NACRE HYDRAULIC

公司简介

实力雄厚 放眼全球

南曦液压机械有限公司于 1998 年成立于广东佛山，2016 年迁至广东肇庆市国家高新技术开发区，占地面积 25000 平方米。经过多年的发展现在员工 300 余人，其中中级、高级工程师和技术人员共有 70 多人，生产设备 200 多台。

公司从事液压油缸、液压系统研发与制造 20 余年，拥有先进的液压油缸专业生产设备，可设计、生产高防腐性、耐低温、耐高温油缸，最大缸径 $\phi 1500$ 毫米，最长单级行程 12 米，最高工作压力 150MPa。2019 年 6 月公司通过了挪威船级社 ISO9001:2015 质量管理体系认证。

无论在工程机械、环卫、矿山、建筑、港口、汽车、风力发电，还是军工、石油、冶金、航空、航海等多种行业，南曦都可根据客户的实际使用情况和安装要求按国际标准进行设计，并提供成套的解决方案和多元化的综合性服务。

高质量以及完善、及时的售前售后服务是我们南曦全体员工共同追求的目标。不断创新、对更好质量的不懈追求是我们南曦人的共同理念。

GUANGDONG NACRE HYDRAULIC CO.,LTD. was established in Foshan, Guangdong in 1998, and moved to Zhaoqing National High-tech Development Zone, Guangdong in 2016, covering an area of 25000 square meters. After years of development, so far has more than 300 employees, including 70 intermediate engineers, senior engineers and technicians, and more than 200 sets production.

NACRE Hydraulic engaged in R & D and manufacturing hydraulic cylinder more than 20 years, now we have vast experience and advanced professional production equipment to design and manufacturing hydraulic cylinder and system, we can design and manufacturing high corrosion resistance, low temperature resistance and high temperature resistance cylinder. The Max. cylinder diameter is $\phi 1500$ mm, the Max. single-stage stroke is 12 meters, and the max. working pressure is 150 MPa. In June 2019, NACRE Hydraulic passed the DNV ISO9001:2015 quality management system certification.

Whether in construction machinery, environmental sanitation, mining, construction, port, automobile, wind energy, or in military industry, petroleum, metallurgy, aviation and marine, NACRE could design base on customers actual use and installation requirements according to international standards, and provide complete sets of solutions and diversified comprehensive services.

High quality and perfect and timely after-sales service is our goal. Continuous innovation and unremitting pursuit of better quality are our philosophy.
