

Guangxi Ligong Machinery Co.,Ltd

LGMC (Guangxi Ligong Machinery Co., Ltd), is a company that specialized in the spare parts for LIUGONG all range machine parts, CUMMINS engine parts, ZF transmission parts for excavator, wheel loader, motor grader and bulldozer.

The company focuses on providing the genuine parts of high quality and low price to satisfy the requirements of different customers. Through the development, the company has established firm cooperation relationship with the construction machinery part dealers home and abroad. We have more than 2,000,000 machinery parts. No matter Original, OEM or High Copy, you can get whatever you want.

Our Advantage

Having a great advantage of location, LGMC is located in Liuzhou, a city that has extensive rail connections with the rest of China, and is the home of LiuGong Company, the biggest industrial base of Guangxi Province. In line with the principle of “Honesty, High quality, Reliability, and Efficiency”, LGMC has won great recognition in the market in just a few years and has gained support from major domestic manufacturers and trade organizations as well. LGMC has occupied the market relying on the good product quality, and good after-sales service and exported to South Asia, Southeast Asia, Africa, South America, Mid East, Eastern Europe, and other regions.

Our Service

STRONG STRENGTH

Perfect production and after-sales system, complete machine accessories can be produced, and we will provide you with VIP treatment

24 hours 7 days stand by with a professional selling team, We solve all kinds of problems in time, and provide specialized commentary on your questions. With the fast supply, perfect quoting system, and swift delivery methods, our company can settle the problems in time to reduce the cost for machinery stand-down. With the foundation of honest operation, and responsibility of helping the customer settle the problem in time, Our company gains a great honor in the customers of construction machinery industry. We hope to built a win-win situation with you.
