

PRECISION FUELS PERFORMANCE

ENGINEERED DIESEL INJECTION SYSTEMS
BUILT FOR RELIABILITY. MADE TO ENDURE.

DISCOVER AKIRA >

PRECISION ENGINEERED

Exacting tolerances and rigorous testing for consistent performance.

BUILT TO ENDURE

Designed for the harshest conditions and the longest operating life.

OE QUALITY

Manufactured to OEM standards. Validated. Verified. Trusted.

OPTIMISED EFFICIENCY

Better combustion control. Lower emissions. Improved fuel economy.

OUR APPLICATIONS

POWERING THE WORLD'S MOST DEMANDING INDUSTRIES.

From mining and construction to agriculture and power generation, Akira Diesel Systems delivers precision, reliability and performance where it matters most.

MINING

CONSTRUCTION

AGRICULTURE

POWER GEN

COMMERCIAL

BUILT FOR EXTREMES

RELIABILITY YOU CAN DEPEND ON.

Akira systems are proven in the world's harshest environments, delivering the uptime and durability your business relies on.
