Precision Manufacturing
Ensures optimal performance

Reliable & Durable
Built for demanding conditions

High Efficiency
Improves fuel system stability

Extensive Applications
Suitable for various agricultural
equipment

COMPANY PROFILE

Ningbo Henshine Precision Machinery Co., Ltd. was established in 2012. It specializes in the production of various solenoid valves. Its products include solenoid valves for construction machinery, hydraulic solenoid valves, common rail diesel engine solenoid valves, agricultural machinery and equipment, diesel engine solenoid valves, and agricultural machinery diesel engine solenoid valves. It is a national high-tech enterprise integrating R&D, production and sales. The product series include Bosch series, Denso series, Delphi series, VDO series and Cummins series, totaling 5 series and more than 00 varieties.
