浙江文贤齿轮有限公司
ZHEJIANG WENXIAN GEAR CO., LTD

WENXIAN GEAR

浙江文贤齿轮有限公司成立于2008年10月份，是一家专注于齿轮和齿轮减、变速箱设计、开发、制造以及销售的企业，公司位于浙江省温岭市箬横镇，公司占地面积7500多平方米，实际建筑面积11000平方米左右。

公司自成立以来，始终坚持以人为本、诚信立业的经营原则，荟萃行业精英，将行业内先进信息技术、管理方法与企业具体实际相结合，为企业提供更全面的发展方案，帮助企业提高管理水平和生产力，使企业在激烈的市场竞争中始终保持竞争力，实现企业快速、稳定的发展。

公司拥有几十台各类先进的精密加工设备如：3台成形砂轮磨齿机、5台数控高效磨齿机、10台数控干式硬齿面滚齿机、6台二次切削精密滚齿机、6台中等模数高效数控滚齿机、2台数控剃齿机、3台插齿机、32台数控车床以及数台加工中心、珩齿机、研磨机、倒棱机等加工设备。产品具有精度高、噪音低、寿命长、质量稳定，交货及时等优点。为用户提供不同层次和需求的超高性价比产品。为了使我们的产品质量更加稳定，我们不断完善自身检测能力，具备三坐标测量仪、硬度计、金相仪以及齿轮测量中心等检测设备。

现公司专业从事ISO5~9级精度模数M0.5~M8直径 ϕ 500以下的精密齿轮、齿轴、球形齿，鼓形齿、花键轴（套）及齿轮箱。广泛应用于减速电机、起重机械、电动工具、农业装备、电动汽车、柴油机及各类工业机械设备。

“管理创造价值，服务提升优势，品质至上，服务至优”是公司的发展理念，“团结、创新、务实、奋进”是公司矢志不渝的追求，“品质第一，客户之上”是我们的经营宗旨。浙江文贤齿轮有限公司珍惜每一次合作，重视每一位客户，希望通过我们的努力能够与社会各界互惠共赢，共创辉煌。

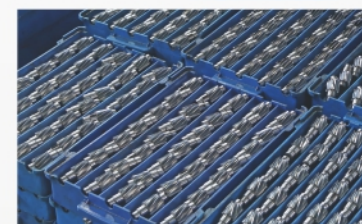

Zhejiang Wenxian Gear Co., Ltd. was established in October 2008, is a focus on gear and gear reduction, transmission design, development, manufacturing and sales of enterprises, the company is located in Ruoheng Town, Wenling City, Zhejiang Province, the company covers an area of more than 7500 square meters, the actual construction area of about 11,000 square meters.

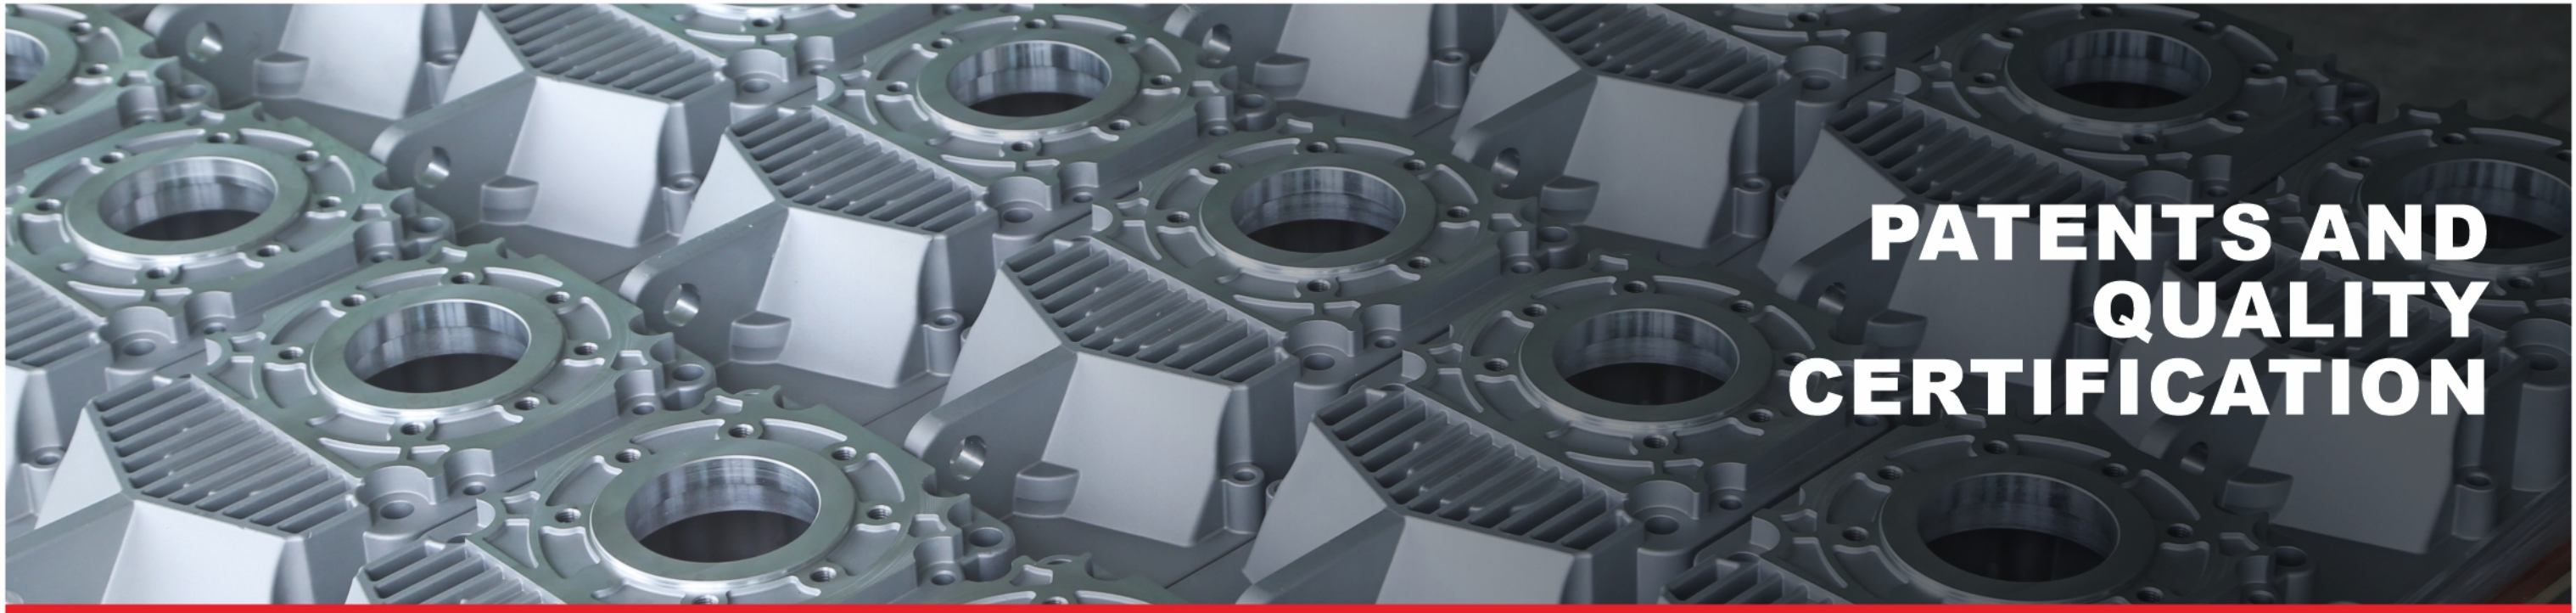

Since its establishment, the company has always adhered to the business principle of people-oriented and integrity, gathered industry elites, combined the advanced information technology and management methods in the industry with the specific reality of the enterprise, and provided enterprises with more comprehensive development programs to help enterprises improve management level and productivity, so that enterprises have always maintained competitiveness in the fierce market competition. To achieve rapid and stable development of enterprises.

The company has dozens of advanced precision machining equipment such as: 3 forming wheel gear grinding machines, 5 CNC high efficiency gear grinding machines, 10 CNC dry hard tooth surface gear hobbing machines, 6 secondary cutting precision gear hobbing machines, 6 medium modulus high efficiency CNC gear hobbing machines, 2 CNC shaving machines, 3 gear shaper machines, 32 CNC lathes and several machining centers, gear honing machines, grinding machines, chamfering machines and other processing equipment. The product has the advantages of high precision, low noise, long life, stable quality and timely delivery. To provide users with different levels and needs of ultra-high cost-effective products. In order to make the quality of our products more stable, we continue to improve our own testing capabilities, with coordinate measuring instrument, hardness tester, metallograph and gear measuring center and other testing equipment.

The company is specialized in ISO5~9 precision module M0.5~M8 diameter below 500 precision gear, gear shaft, spherical teeth, drum teeth, spline shaft (sleeve) and gear box. Widely used in gear motor, lifting machinery, power tools, agricultural equipment, electric vehicles, diesel engines and various industrial machinery and equipment.

"Management to create value, service to enhance advantages, quality first, excellent service" is the company's development concept, "unity, innovation, pragmatic, striving" is the company's unswerving pursuit, "quality first, customers above" is our business purpose. Zhejiang Wenxian Gear Co., Ltd. cherishes every cooperation, attaches importance to every customer, and hopes that through our efforts, we can mutually benefit and win with all walks of life to create brilliance.

PATENTS AND QUALITY CERTIFICATION

公司自2021年共计获得9项实用新型专利证书。

公司2021年获得浙江省科技型中小企业证书。

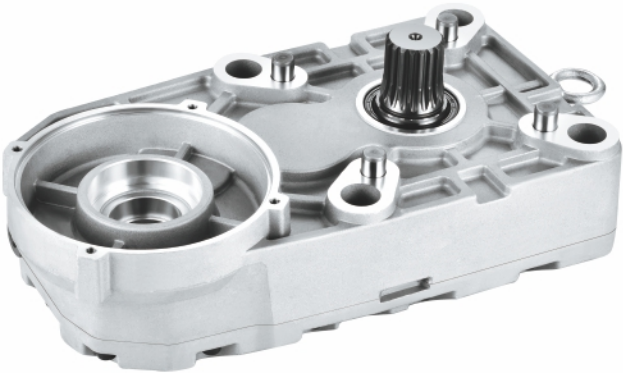

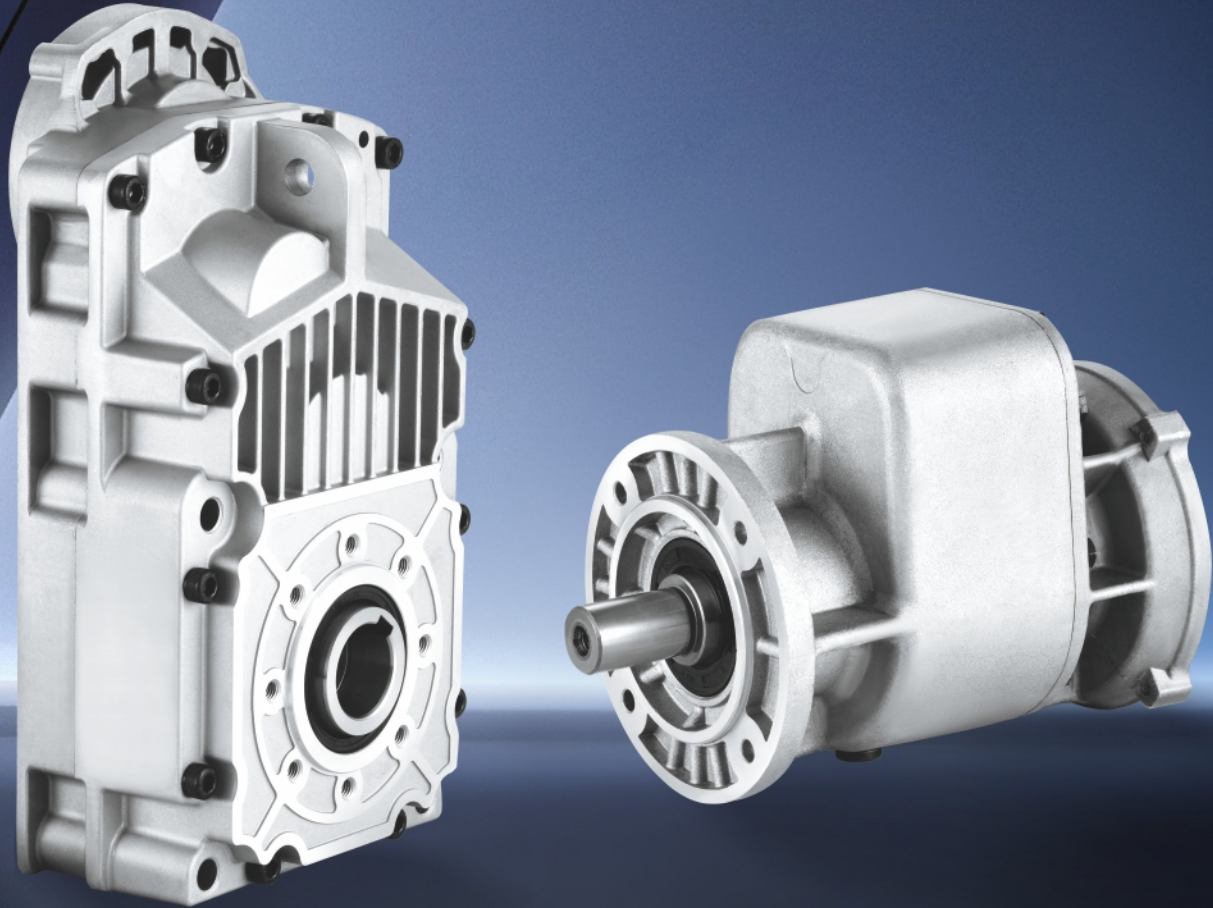

2022年1月份获得了ISO9001:2015质量管理体系认证证书。

The company has obtained a total of 9 utility model patent certificates since 2021.
In 2021, the company won the certificate of Zhejiang Science and technology smes.
In January 2022, we obtained ISO9001:2015 quality management system certification.

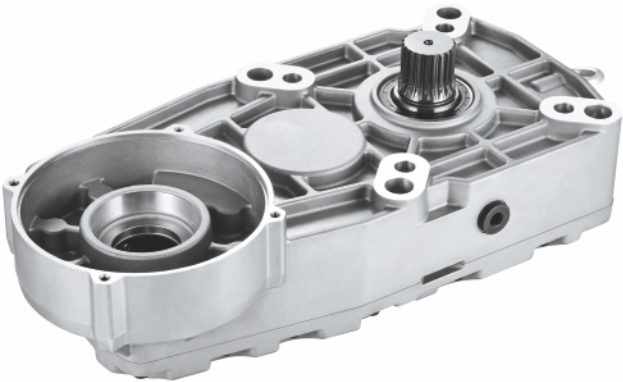

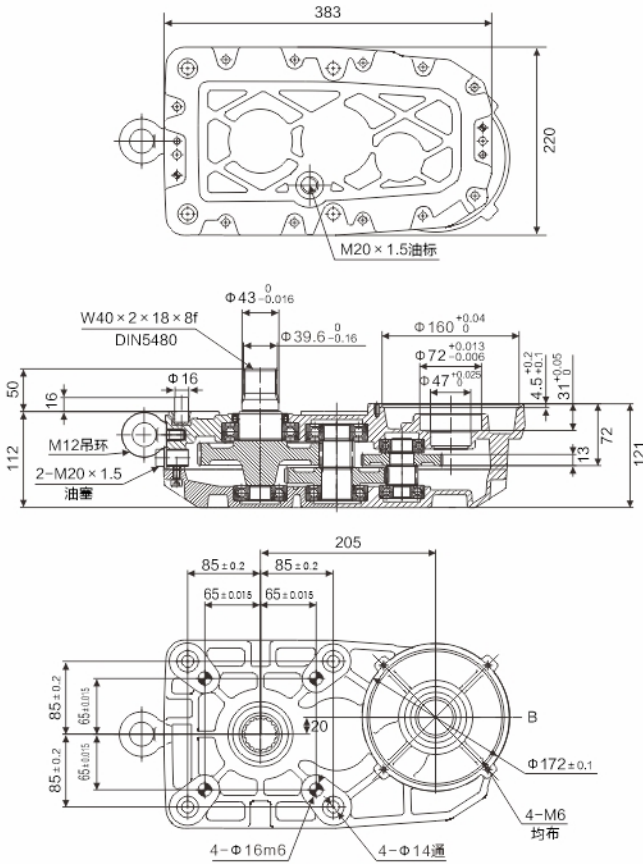

应用广泛
WIDELY USED

广泛应用于减速电机、起重机械、电动工具、电动助力车、电动汽车及工业机械。
Widely used in gear motor, lifting machinery, power tools, electric moped, electric vehicles and industrial machinery.

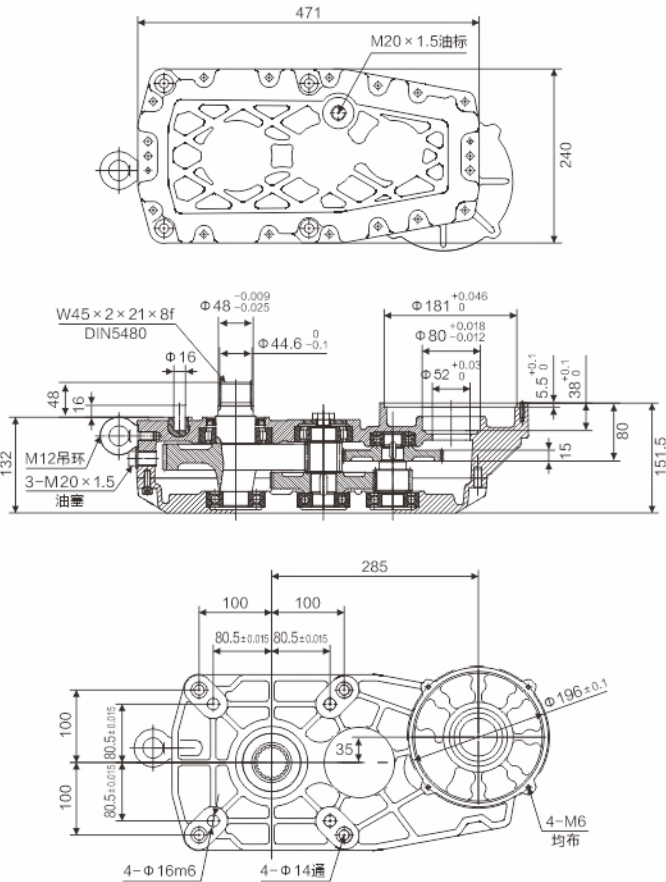

WX32

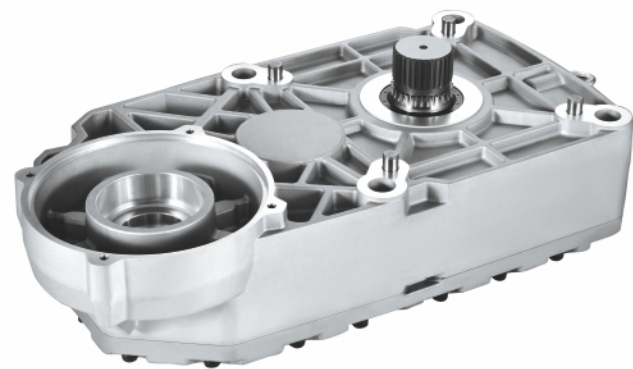

技术参数 / Technical Parameter	
产品型号 / Product model	WX32
传动比 i / Gear ratio i	62.59
单重 / Single weight	16

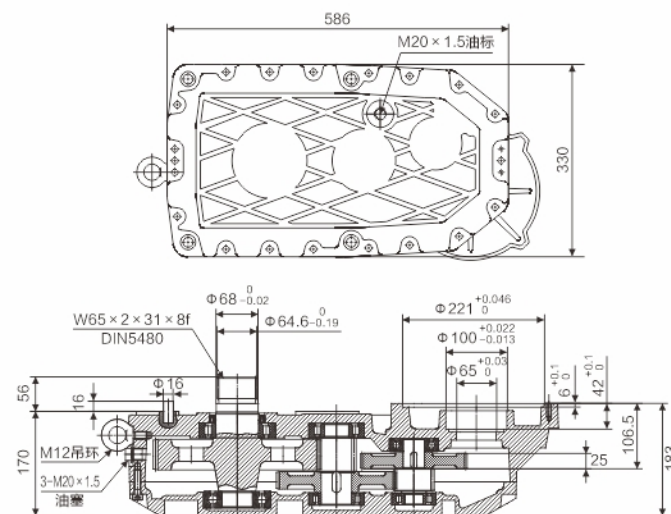

WX63

技术参数 / Technical Parameter	
产品型号 / Product model	WX63
传动比 i / Gear ratio i	75.411 / 114.5
单重 / Single weight	28
