

Sinotraffic Supply Chain Automotive Industry Park

A Leading Supply Chain Brand in Vehicles & Equipment

Sinotraffic Automotive Technology Park is located at the South Gate, No. 1981 Tuanjie Road, Huangdao District, Qingdao. Covering a total area of 20,000 square meters, the park includes 1,600 square meters of indoor warehouse space. It functions as Sinotraffic's operation base for container stuffing & lashing, flat rack securing for oversize cargo, and commercial vehicle SKD processing. Our professional operations team offers loading and securing services for various automobiles, construction machinery, oversized equipment and precision instruments, together with trucking, warehousing, packaging, in-container reinforcement and heavy cargo moving. Bespoke container loading and transportation solutions can be tailored to individual client requirements.

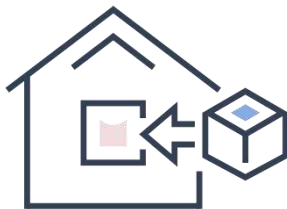

Operational Port: Qingdao Port

Location

Sinotraffic Automotive Technology Park is situated at South Gate, No.1981 Tuanjie Road, Huangdao District, Qingdao, Shandong Province.

Sited in the core zone of Qingdao's transportation layout known as "3 Vertical Expressways, 3 Horizontal Highways, 2 Rail Lines, 1 Bridge & 1 Tunnel", the park is around a 30-minute drive from all major Qingdao ports. Backed by surrounding expressways, national highways, railways, harbors and airports, it forms an efficient modern transport network featuring interconnected multimodal transportation and seamless logistics access.

- to Qingdao Qianwan Phase II Terminal – approx. 6.7 km
- to Qingdao Qianwan Phase IV Terminal – approx. 9 km
- to Qingdao West Union Terminal – approx. 6 km
- to Huangdao East Expressway Entrance – approx. 2.4 km

Our fleet includes 30 port haulage trailers, boasting ample capacity to undertake large-scale container stuffing and cargo lashing services.

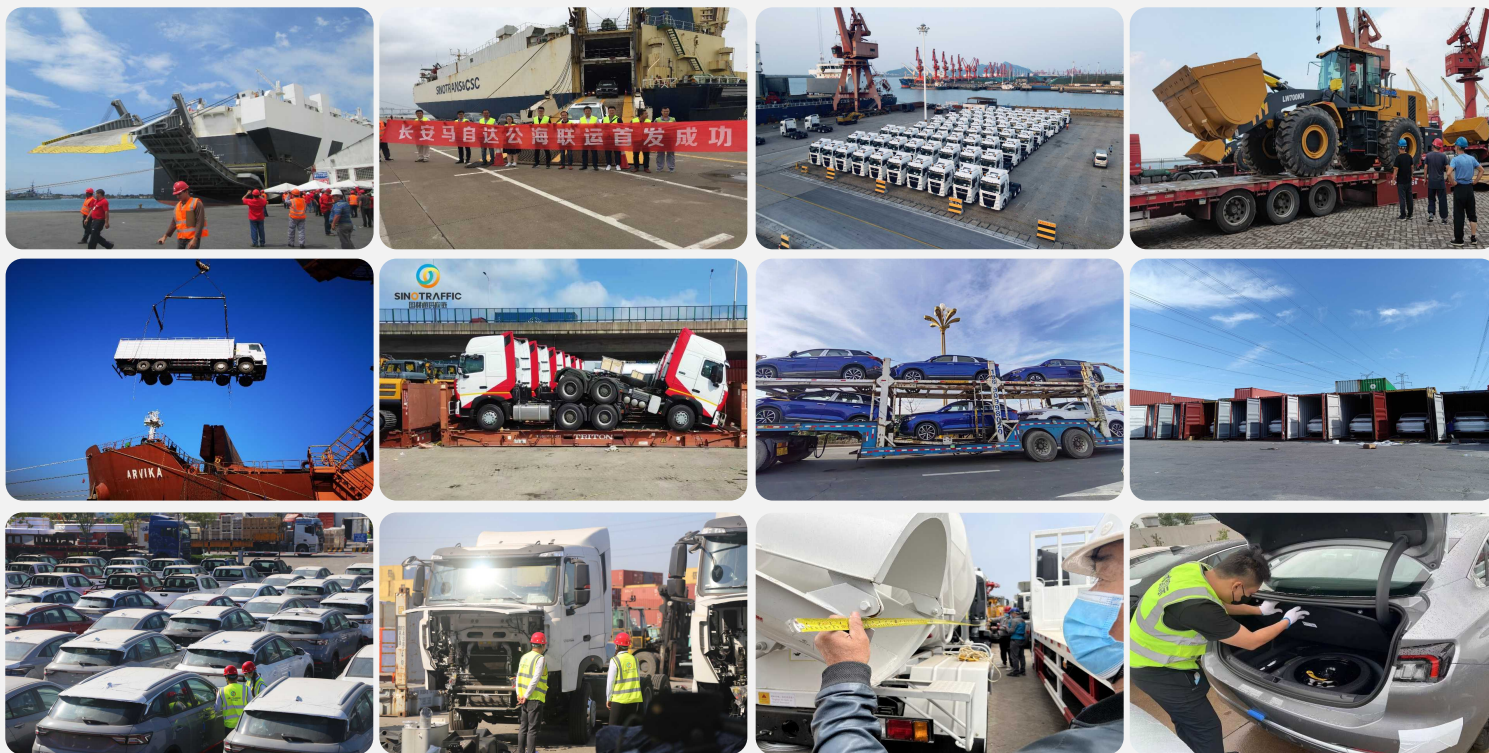

Sinottraffic Supply Chain Automotive Industrial Park continuously optimizes its warehousing and container stuffing services, having accumulated extensive expertise in warehousing, stuffing and logistics operations. We boast a professional warehousing & logistics team with solid professional competence, a strong sense of accountability, abundant on-site experience, full dedication and outstanding service standards.

Upholding the core business values of Dedication, Integrity, Collaboration and Win-Win Cooperation, Sinottraffic wholeheartedly offers clients secure, efficient, precise and cost-effective cargo stuffing and transportation solutions. We aim to be customers' preferred logistics partner and spare no effort to honor every consignment entrusted to us.
