优耐诚机械 Kinnid

KINNID AUTO PARTS CO.,LTD. (FUJIAN YOUNAICHENG MACHINERY MANUFACTURE CO.,LTD.)was founded in 2000 in Wuhan. After more than 20 years of development, it has become a one-stop wholesale center for construction machinery parts such as mixer trucks and pump trucks across the country.

In 2008, Opening a factory to produce and develop clutch series,also extending the development and production of a full range of all auto parts especially mixer truck parts, KINNID always uphold the craftsman spirit of "excellent work & Remarkable quality", and strive to building a leading brand in the industry.

In 2012, a trade branch company was established in Guangzhou, promoting the expansion of overseas marketing network vertically and horizontally, and establishing a good brand reputation in Southeast Asia, the Middle East and many other regions.

In the future, we will make unremitting efforts to make the brand bigger and stronger!
