

Main parameters

Max rated load	260Kg	Slewing angle	360度
Max working height	21m	Span of front support	3700mm
Max system flow	30L/min	Span of rear support	2720mm
Rated pressure	20MPa	Vertical span of support	4300mm
Elevation of boom	-16°~80°	Max working range	9m
Slewing angle of basket	±90°		
Size of platform	1600*710mm		
Operation mode	Wireless remote control+wire remote
