COMPANY HISTORY

公司发展历程

1996 年

公司创始人参与组装国内首台 IMT 钻机

In 1996, the founder of the company participated in assembling the first domestic IMT drilling rig .

1999 年

生产出国内第一根全锁扣加压钻杆

In 1999, the first full interlocking Kelly bar were produced domestically.

2001 年

负责 IMT 公司中国售后服务工作

In 2001, responsible for IMT's after-sales service in China.

2003 年

负责宝峨（中国）公司技术支持工作

In 2003, responsible for technical consultancy at Bauer (China).

2004 年

北京捷泰豪力科技发展有限公司成立，开始发展旋挖行业国内业务，并持续研发和生产旋挖钻杆及行业相关产品。

In 2004, Beijing Jietai HaoLi was established and started to develop the domestic business of rotary drilling industry and continued to research, develop and produce rotary drilling rigs and other related products.

2012 年

首次以展商身份参加上海宝马展 BAUMACHINA

In 2012, the company participated in BAUMA China for the first time as an exhibitor.

2016 年

2016 年，公司将厂址迁址山东寿光，并成立山东捷泰豪力机械设备有限公司

In 2016, the company moved its factory to Shouguang, Shandong Province, and established Shandong Jietai Hao Li Machinery Equipment company.

2017 年

开始以展商身份参加国际性展会

In 2017, it began to participate in international exhibitons as an exhibitor.

2024 年

捷泰豪力迎来建厂 20 周年纪念，并开始研发和生产小型旋挖钻机、光伏打桩机、搓管机、拔管机、方桩钻头等。

2024 marked the 20 anniversary of JTHL. the company started to develop and produce JTR40-90 small rotary drilling rigs, PV piling rigs, pipe rollers, pipe extractors, square pile drilling bits and so on.

2025 年

2025 年，公司着力打造多功能高效旋挖钻机系统，钢丝绳加压旋挖钻机、液压锤旋挖钻机、潜孔锤钻机、CFA 钻机、FDP 全置换桩钻机以及搓管机动力系统等产品均已实现批量下线，这标志着在旋挖钻机改造领域取得了阶段性的重要成果。

In 2025, our company has made dedicated efforts to develop a multi-functional and high-efficiency rotary drilling rig system. A number of products, including rotary drilling rigs with crowd winch system, hydraulic hammer, Down-the-Hole hammer, CFA system, FDP system and with casing oscillator power system, have all achieved mass production, marking significant phased achievements in the field of rotary drilling rig modification.

多年来，我公司始终致力于研发与生产各类型号的旋挖钻杆、钻具以及旋挖钻机的再制造。公司配备了完备的钻杆生产专用制造及检测设备，拥有一支专业的员工队伍，并且构建起完善的开发、设计制造、营销以及售后服务体系。

公司所研发的高效大锁扣加压钻杆、机锁式加压钻杆以及新型摩阻钻杆，均成功取得了专利证书。旗下的多款产品先后通过了欧盟 CE 认证以及 SGS 认证。

Over the years, our company has been consistently dedicated to the R&D and production of various models of kelly bars, drilling tools, and the remanufacturing of rotary drilling rigs. Equipped with complete specialized manufacturing and testing equipment for kelly bar production, we have boasted a professional staff team, and have established a comprehensive system for development, design, manufacturing, marketing, and after-sales service.

The high-efficiency full-interlocking kelly bar, interlocking kelly bar, and new-type friction kelly bar developed by our company have all successfully obtained patent certificates. A number of our products have successively passed the EU CE certification and SGS certification.

BUSINESS PHILOSOPHY

经营理念

追求卓越品质　缔造完美品牌

公司以“诚信做人，用心做事”为基本原则，本着“以客户为本”的服务态度，以“诚信、开拓、创新、务实”的经营理念，不断推动旋挖钻机钻杆加工工艺技术的改良，旋挖钻机维修国产化，配件国产产业化，不断提高产品质量，用一流的管理，先进的制造工艺，专业的维修技术和售后服务，努力为客户提供优质的产品和一流的服务。竭诚与所有的旋挖钻机客户形成最佳的合作伙伴！

Our company is based on the "Conduct myself faithfully, Concentrate on work"as the principle, based on the spirit of "Customer-oriented" service attitude, and "Honesty, Pioneering, Innovative and Pragmatic"as the business management philosophy. Aiming to imporve technology of piling rig kelly bars constantly. Continuously improve the localization work of piling rig maintenance and spares. Continuously imporve product quality. We strive to provide customer with the first-class management, advanced manufacturing technology, professional maintenance technology and after-sale service, and hope to be best cooperation partner with all the rotary piling rig customers.

公司执行严格的管理制度，改善生产环境，确保现场管理整洁有序。
The company implements the strict management system, improves the production environment, guarantees the spot management neat and orderly.

公司拥有健全的员工培训体系以及完善的改进机制。
The company has a good staff training system and a perfect mechanism for improcement.

公司拥有国内先进的生产设备，并持续优化生产工艺，保证了产品的精度、硬度、强度和韧度。
The company has domestic advanced production equipment, and continuous optimization of the production process to ensure the accuracy of products, hardness, strength and toughness.

套管系列 Casing Series

我公司生产的套管产品已销往新加坡、菲律宾、澳大利亚、欧洲等多个国家。用户可根据实际工况选择配置旋挖钻机、搓管机、全回转钻机等辅助设备驱动以及起拔。我公司配置的套管接口可完全匹配宝峨、土力、意马、三一、徐工等国内外品牌旋挖钻机，可提供全套管施工工法及全套设备。

Our casing series products have been sold to Singapore, the Philippines, Australia, Europe and many other countries. Users can order casing series, casing oscillators, rotary drilling rigs with casings according to the actual working conditions for driving and lifting. The casing interface configured by our company can be fully matched with various rotary drilling rigs, such as Bauer, Soilmec, IMT, SANY, XCMG, and other domestic and foreign brand rigs. We can provide a full set of casing construction methods and full set of equipment.
